

Named Counselor At U-M Boys Camp

Louis R. Hooper of 33436 Shaw Road, Farmington, is among a group of approximately 40 upperclassmen and graduate students from the University of Michigan who will be applying their textbook knowledge at a Workshop in Human Behavior from June 22 to August 18 at the U. of M. Fresh Air Camp on Paterson Lake.

Now in its 36th season, the Fresh Air Camp is a part of the University's Institute for Human Adjustment giving over 200 underprivileged boys from 7 to 14 years of age a chance for normal group living under healthy conditions. They are referred to the camp by social, school and case workers. Student counselors, using the camp as a laboratory, earn credit in education, sociology, social work, and psychology. They are guided by a professional staff of U-M faculty members directed by Dr. William C. Morse, associate professor of educational psychology. In regular staff conferences, the progress and needs of each camper are studied.

The Camp has 28 permanent buildings occupying a tract of 300 acres near Pinckney, Michigan.

Named Foreman At Burroughs

RAY PEARSALL

Ray Pearsall of 33112 Slocum, Farmington, has been appointed foreman of a special machines department at the Burroughs Corporation's Plymouth Division, it was announced recently by Robert A. Niemi, general manager. Pearsall joined Burroughs in 1936, as an inspector in the Detroit plant. In 1942, he transferred to the Plymouth Division as an assembler on the Norden bomb sight. In 1946, he was made a final inspector on the Burroughs Calculator. When this operation was transferred to Burroughs' plant in Strathearn, Scotland, Pearsall was assigned to Sematic accounting machine assembly. For the last five years he has been engaged in accounting machine research and spent six months at Burroughs' Research Center in Paoli, Pennsylvania. Pearsall was named as foreman of a Sematic assembly operation in 1950, and became a technical assistant in 1955.

Special events pack the summer months. During June, July and August more than 75 events, ranging from water carnivals to a national music festival, are scheduled. For those who wish to take in some of the state's many attractions, a summer events calendar can be obtained by writing the Michigan Tourist Council, Lansing 4.

TO PROMOTE GREATER awareness of safety measures needed in traffic, 500,000 "Summer Safety Pledges" have been distributed throughout the state to elementary school children by the Traffic Safety committee of the Michigan Petroleum Industries. Designed to cut down the number of traffic accidents involving children, the summer safety pledge is one part of an overall campaign to emphasize safety in Michigan.

The Traffic Safety committee has already distributed more than 4 million paper windshield cleaners through service stations bearing the slogan "See Danger to Avoid It" and 3 million speedometer stickers to remind motorists of the state's new speed law. Last year 140 children were killed and another 4,499 injured in Michigan traffic accidents. Michigan Petroleum Industries' safety committee feels that an awareness at all times can help reduce this high toll.

RESTAURANT personnel can earn extra dollars by mentioning milk as a beverage. Members of the Michigan "June Is Dairy Month" committee are pushing to reward everyone making such a suggestion with a silver dollar and a card which reads: "You suggest milk as a beverage with my meal. I am happy to present you with this silver dollar."

These will be presented during June as part of the promotion. Backing is coming from the Michigan Chapter of American Dairy Association, which is pushing hard on the June Is Dairy Month sales effort.

NEW MOVES TO FIGHT the proposed legalization of charity bingo have been made by the Michigan Council of Churches. A statewide organization "Michigan Citizens Opposed to Legalized Gambling" with a goal of \$40,000 has been organized to oppose the issue. Should initiative petitions to legalize charity bingo be filed by the July 6 deadline.

Dr. John E. Marvin, editor of the Michigan Christian Advocate, states that the proposed amendment exposes the state to the same danger that existed when a similar bingo amendment was voted down in 1954.

HOPE TO LEASE PART OF CUSTER FOR RECREATION

A 2500-3000 acre recreation area in southwestern Michigan will be made available for public use if a lease arrangement can be worked out between the Conservation Department and the Department of the Army.

The area under consideration is in the southern portion of Fort Custer, near "Battle Creek." The land is not being used for military purposes at present and the Conservation Department wants to make it available for public recreation.

A request for a lease of the territory has been filed with Wilbur M. Brucker, Secretary of the Army. Immediate consideration was promised by Brucker.

Conservation officials inspected the area and said they find it highly desirable for public use. Brevitz called the land "ideal for picnicking, camping, hiking, hunting, winter sports and other recreational activities."

Red Strategy
"The present social turnabout on Stalin," he said, "and all the other peace-like activities are merely strategic moves on the part of the Communist bosses calculated for one purpose and one purpose alone — to lull the free nations to sleep again with the thought that the Communists are softening up America will be fool indeed if it swallows this propaganda about how good the present leaders are going to be and how good the future will be. They are in the same mood. They have only one purpose in life — to Communize the world and place the Red Army as the police force over every nation."

It is so very important for every American to have a clear understanding of the nature of Communism. You can get a brief but sound education on the conspiracy by asking your Congressman to send you "The Communist Party of the United States of America—What It Is, How It Works," a 100 page pamphlet, compiled by the Senate Internal Security Sub-Committee. You may also obtain a free copy by writing The American Wage Earners' Foundation, 30 North LaSalle Street, Chicago, Illinois.

"Labor unions have an undeniable right to exist, but they also have an equally undeniable duty to function constructively." — NAM President Vola G. Parker.
