ARE YOU SELLING?
You can sell your home, that we all know.
But a skillful realtor will really get you the dough.
Though the buyer is the finest in the land,
Do you know how to get him a few essential goods?
Can you screen the buyers from the ones who love to roam,
And satisfy their curiosity by going through your home?
What about the cost of ads that fail,
And the risk of closing up a sale?
But should you need any help at all,
Just give Harry S. Wolfe a call.
And let us handle these headaches for you.
For we have nothing else to do
