Why not buy in quantity when your grocer has "specials" on frozen foods? Doing so amounts to a double saving. You spend less money per package—spend less time shopping. And frozen vegetables, like tender green peas, stay garden-sweet for months in a home food freezer or two-in-one refrigerator-freezer.

RASPBERRIES

Looking for raspberries? Then select berries that are firm, plump, and full colored. Beware of stained boxes and berries that are dull in color or soft. Mature raspberries are free of their hulls for these are left on the bush as the berries are picked. Raspberries that are green or off-color will never have the good flavor of fully ripened berries.
