GRAND RIVER at FARMINGTON RD. Mon., Thurs., Fri. 9-9

After the local fireworks display has "ooohed" and "ah-h-ed" everyone's throat dry, invite the folks back to your place for some cool flavor fireworks.

Frosty Sparkler Cone offers a double-dip of cool creaminess in every patriotic bite. Blue coconut "flags" on the top dip of snowy vanilla hail the crunchy nut-coated strawberry dip as it slowly melts into a sugar-cone base. Frosty Sparkler will rate at least one "oh" and two "ahs" on the ice cream flavor scales.

Having extinguished a Frosty Sparkler, wide-eyed ice cream lovers will want to bite into Starring Stripes Forever Sandwich. Between two slices of the fiddgiest brownies you can make, place one strip of vanilla and one strip of strawberry ice cream. A quicker variation that packs a lot of crunch substitutes chocolate covered graham cracker cookies for the brownies. Either way: Yum!

And for those veteran ice cream eaters who know why a soda is never sipped on Sunday, bring out the Red, White and Blueberry Sundae. Each cool creamy strawberry-vanilla bite is flavored with a delicious Blueberry Marshmallow sauce. Having tasted all sorts of sundaes in their lifetimes, they'll proudly hail this Red, White and Blue creation as definitely "the berries."

FROSTY SPARKLER CONE

Have ready in two small bowls desired amount of blue tinted coconut and finely chopped nuts. To tint coconut: In a jar, blend 2-3 drops blue food color with a few drops of water. Add coconut, cover and shake vigorously until coconut is desired color.

Dip a medium scoop of both vanilla and strawberry ice cream for each cone. Roll vanilla dip in tinted coconut and strawberry dip in chopped nuts. Place on wax paper lined tray or cookie sheet and return to freezer until ready to assemble cones. Place one scoop of each ice cream on cone.

STARRING STRIPES FOREVER SANDWICH

Prepare fudgy brownies 1/2 to 3/4-inch thick and cool completely before using. Slice desired number of 1/4-inch thick slices from short side of firm pint bricks of both strawberry and vanilla ice cream. Working rapidly, place on wax paper lined tray or cookie sheet and return to freezer until completely firm before assembling sandwich. Cut desired number of cooled brownies into 2 1/2 x 3-inch rectangles and carefully split each in half. To assemble sandwich: Place brownie half cut side down. Top with slice of vanilla and slice of strawberry ice cream. Complete with

remaining brownie half, cut side up. If not to be served immediately, sandwiches can be individually wrapped in foil and stored in the freezer.

VARIATION:

GRAHAM CRACKERS:

Cut each 1/4-inch slice ice cream in half. Place between chocolate covered graham crackers and serve immediately.

RED, WHITE and BLUEBERRY SUNDAE

Place one scoop each of vanilla and strawberry ice cream in chilled sundae dish. Drizzle over blueberry-marshmallow sauce.
