Arts and Crafts
Market Planned

One of the many attractions at the Farmington "Day in the Country" program, September 15, sponsored by the Farmington Garden Club, will be the Arts and Crafts Market, conducted by The Little Group, with Virginia Holman acting as chairman.

Composed of talented Farmington area women, the group expects the market will be stocked with copper-enamel jewelry, a variety of ceramics and hand-woven articles. Oil paintings, water colors and prints will be displayed.

All articles will be for sale at moderate prices and the market will be open from 2 to 9 p.m. It will occupy part of the red barn on the McWilliams (Grounds at Twelve Mile and Power Roads).

Proceeds will be used for the benefit of the new Farmington Community House.

Area Women To Take Active Part
In Annual Hospital Patient Fair

Several Farmington area women will take an active part in the sponsoring of the Fourth Annual Patient Fair by the Northville State Hospital Volunteer Service Council on Tuesday, August 22.

This is a recreational event planned for the patients' pleasure and consists of 18 booths manned and sponsored by volunteers.

Mrs. Florence Heeney, Mrs. Harold Ward, Mrs. Florence Bloom, Mrs. Julie Nedz, Mrs. Jean Layn and Mrs. Gladys White, all of the Farmington Business and Professional Women's Club, will furnish the prizes and operate a raffle toss game for the patients.

The Northville State Hospital Ladies Guild, of which Mrs. John Desmarreux, Mrs. Ethel Gain and Mrs. Olive Lathrop, all of Farmington, are members, will operate the horse race game. Mrs. Mary Wheaton of 33403 Alta Vista Drive, Farmington, will also be assisting as an individual volunteer.

Besides the many games of skill and chance in which each patient is expected to win at least three or four prizes, soft drinks and home made cakes will be served. Patients will also be entertained by a clown band. Strolling troubadours will accompany volunteers to the hospital wards so that the bed patients who cannot attend the Fair will also receive refreshments and prizes while they are being entertained.

The first Patient Fair was planned in 1953 as a substitute for the patients who were unable to attend the State Fair in Detroit.

In keeping with the hospital's policy and depending upon available transportation, patients attend such functions as the State Fair, weekly swimming parties at Kensington Park, baseball games at Briggs Stadium followed by a party, at the American Red Cross, the Shrine Circus, and other such events. Because not all of the 1,900 patients can attend, projects like the Patients' Fair are planned by volunteer groups.

This year, according to Mrs. Vivian Champion, who is chairman of the Volunteers at Northville State Hospital, they expect between 1,200 and 1,400 patients will enjoy the Fair. Approximately 150 volunteers from 20 clubs, church groups, and other organizations that volunteer in the hospital, are sponsoring the Fair.
