

Three From Farmington Earn U. of M. Degrees

Three Farmington students were listed among the group of 863 from the University of Michigan completing work for diplomas at the conclusion of the 1956 summer school session.

Area students to receive their degrees in the fall shortly will be Wayne I. Boucher, 38440 Springland Drive, Bachelor of Arts; Margaret H. Kustion, 28350 Orchard Lake Road, Master of Arts; and Donald J. Otto, 33614 Grand River, Master of Arts.

Staman Stitchers Join Community House Assn.

A big boost was given to membership in the Farmington Community House Association last week when nearly all of the members of "The Staman Stitchers" of Staman Acres joined the association.

The group of ladies, gathered to sew cancer pads, responded almost unanimously to a request of Mrs. Raymond Unks, treasurer of the group, that they join the FCHA at a business session on September 12 at the home of Mrs. Lawrence Lutzen.

Officials of the Community House Association stated that all other subdivision groups would join as readily as Staman Acres did to the Association, a community center with all its advantages could soon become a reality.

BETWEEN ACTS of their latest production "Spreading the News", presented last Saturday during the "Day In The Country" program, these members of the Farmington Players take a break while posing for the camera. The players gave two performances of the one-act comedy in a corner of the red barn on the Williams Grounds, 12 Mile and Powers Road. The entire proceeds from the performances will be used to promote a community house for the Farmington area. Other organizations participating in the "Day In The Country" program will also turn over their profits to the Community House Association.

There are numerous things you can do with grated cheese in preparing meals, claim home economists at Michigan State University. One idea is to lightly toss grated, processed cheese with ground meat when you make hamburgers or meat balls. The cheese adds a different, interesting flavor, they claim. Used in hamburgers, you might call it a "variation on a cheeseburger."

Orchard Methodist Fall Activities Set

The Orchard Methodist Church, on 13 Mile Road, just east of Orchard Lake Road, began a busy fall season on Wednesday, September 19, with the start of a six weeks Adult Bible Study Class. The class meets in the church each Wednesday at 8:15 p.m. Enrollment is now up to 25. Anyone interested may still enroll, officials stated.

Thursday, September 20, the Woman's Society of Christian Service will hold its annual Guest Night meeting. All women of the area are cordially invited to attend at 7:30 p.m. at the church.

The first Family Night of the season will be on Thursday, September 27. There will be a pot luck supper served at the church at 6:30 p.m. Those attending are asked to bring food and family and join in the fun. There will be movies for the kiddies. A welcome is extended to all.

The newly-organized Methodist Youth Fellowship is meeting each Sunday evening at 7:00 p.m. at the church. Mrs. Roy Leonard, counselor, reports that the group is now making plans for a variety of activities this winter. All young people between the ages of 12 and 23 are invited to attend.

Regular services include church school at 10 a.m., each Sunday and the worship service at 11:00 a.m. A nursery "sitter-service" for children under six is offered during the Worship Service.

Von Burg's Show A Big Success

Between 300 and 500 persons flocked to Von Burg's Jewelry Store, at 22019 Grand River Avenue in Redford last Friday and Saturday, September 14 and 15, to view a half-million dollars worth of diamonds on display.

On display was a variety of stones including diamond insets, brooches, watches and rings. The largest stone on display was a 47 carat unset diamond valued at \$21,000. The most unusual stone displayed was a golden-brown diamond mined in natural state in that color.

Lucky winner of a 1 carat diamond given away during the diamond show was Mrs. Violet Johnson of 14350 Arlison.

On hand during the two day show was Tom Johnson, outstanding authority on design.

Established in 1922, Von Burg's is the oldest established jewelry store in this area.

Well, here I am again - seems as though a lot of you have been wondering what happened to me and the Clarenceville column. Well, I'm still around and so is the column. I did go down to Texas for a week to the National V.F.W. convention and also spent a week in Illinois. While there we went down to Hannibal, Missouri to see the Cave and Mark Twain's home.

Now, about this column - I enjoy writing it and a lot of you have told me "It's the first thing I read in the paper." But this column takes "NEWS" about you, your friends and neighbors, and all the organizations in this neighborhood. Now, how am I going to get this news. Yes, I could call you, but maybe you are busy feeding the baby when I call, so why don't you call me? The number is still the same GR. 4-6152. I'll be listening for the telephone ring and ring this week. Now on with the column.

Mr. and Mrs. Clarence Reniff of Hancock Street are mighty proud of their new granddaughter, Barbara Lynn, who arrived on August 29 at St. Joseph's Hospital in Pontiac and weighed in at 7 pounds 6 ounces. Barbara is the daughter of Mr. and Mrs. Leonard Reniff of Walled Lake.

The Women's Society of the Clarenceville Methodist Church held their first meeting on Tuesday night, September 11. "One More Commandment" was shown.

Mrs. Theresa Tucker of Albion Street was guest of honor at a baby shower for her new daughter, Laurie. The shower was given on Wednesday night at the home of Mrs. Dolores Bassett of Wayne Drive. Games were played and movies shown by Mrs. Bassett.

Mrs. Tucker received many lovely presents for her daughter. Refreshments were served to the following ladies: Lil Hines, Dolores Cooke, Lorna Rice, Rosemary Bolahan, Betty Brooks, Ann Gilden, Wilma Forbes, Peggy Miller, Elsie Burkman, Theresa Tucker and Sue Trainowski.

Visiting last week at the home of Minnie Diettle and Augusta Howe of Hancock Street were Mrs. Harry Mitner and Mr. and Mrs. Rinnie Suchner of Detroit.

WEST BLOOMFIELD PLAYERS GROUP OPEN TO MEMBERS

The West Bloomfield Township Players are now beginning plans for presentation of their next production "Light Up the Sky" scheduled for staging on November 2 and 3 at the West Bloomfield High School in Keego Harbor.

Not only actors and actresses but a large number of back stage personnel are combining their efforts to make this as well as any future productions a huge success.

Membership in the Players group is open, the group's membership committee chairman indicated. Anyone interested in becoming a part of the Player group is requested to attend the group's next business meeting at the West Bloomfield Township Hall, 4400 Orchard Lake Road. The meeting has been set for September 27, 8:30 p.m. For further information contact Mogens Kloppe, membership chairman, MAfair 63034.

James Rice returned home on Wednesday from Chicago, Illinois. He attended the convention of the Locomotive and Maintenance Officers Association. Also, while there he toured the General Motors Locomotive plant at LaGrange, Illinois.

On Sunday night, September 23, at the Clarenceville Methodist Church "The Bauman Family" will present a program of music and instrumental numbers. Everyone is invited.
