TILES INLaid
An elegant note of high style appears in one group at the summer furniture show which combined beautiful inlaid tiles and naturally-finished hardwood plywood. The opalescent tiles are rare items created by Louis Comfort Tiffany. They are in old shapes and have subtle variations in color. A group of three or four of the tiles, with the varied shapes forming a distinctive pattern, will be inset in the corner of a table, or sometimes in the center. The hardwood plywood used for the tops is native sapreack walnut, with a rich figure pattern that is perfect for setting off the unique beauty of the tiles.

Don Melton Elected By Student Body To Head Student Council Sept. 28

Students from Clarenceville High School exercised their right to vote in a popular election on Friday, September 28, when they cast ballots to select a Student Council president for the current school year.

Don Melton won a majority victory over his running mate, Marvin Dally, by receiving 361 votes in Miss Dally's 127. Don will now preside over the functions of the Student Council for the 1956-57 school year. As Student Council president, he is chairman of the student government at the Clarenceville High School.

Campaigning for the office of Student Council president was carried on throughout the entire week. Posters, signs and bulletins were exhibited in the halls and classrooms at the school.

On Thursday, an assembly was held to acquaint the students with the candidates and their platforms. Both candidates, as well as their campaign managers, addressed the students. Betty Edwards spoke for her candidate, Marian Dally, and Dave Hanaford issued his plea for Don Melton.

Roy Carlton acted as master of ceremonies. Max Millard, principal, gave a short address urging the students to use their vote in selecting the candidate of their choice. He also called to their attention the Student Council representatives of the various classes who act as spokesmen in expressing the opinion of the student body.

Homecoming Plan Made By Council

Plans for the annual Homecoming celebration are progressing at Clarenceville High School. At the Student Council meeting on Wednesday, September 26, a discussion was held to make tentative plans for the Homecoming festivities.

As in previous years, a queen will be selected from the student body to reign over the Homecoming events.

The queen is chosen by the student body in a popular election. She is selected from the Senior class by the entire high school, and will be accompanied with a court consisting of one girl from each of the other classes. The Homecoming queen will be crowned during halftime of the annual Homecoming game.

This year, Clarenceville High School will play host to Clarkson for the Homecoming game. Game time has been set for 8 p. m. on October 12.

Immediately after the game, there will be a dance in the high school gym. The dance band from the school will furnish music for the affair.

Despite the difficult transition from a peacetime economy to national income and output are at record highs with individual income, let after payment of taxes, at the highest it has ever been.

CHEERLEADERS BEGIN PRACTICE SESSIONS, WORK ON NEW SCHOOL CHEERS

Varsity and Reserve Cheerleaders at Clarenceville High School are working on new cheers to help increase school spirit at games and pep-fests. Practices began Monday, September 10.

The cheerleading squad is advised by Miss Meyers. There are six Varsity cheerleaders: Shirley Chestnut, Dixie Baum, Marjorie Estep, Judy Dowdy, Betty Edwards and Pat Wild. The Reserve Cheerleaders are: Lorraine Reaume, Mary Smith, Joan Settler, Kay Fields, Sandy Colman and Sandy Courley.

The girls, who cheer for all football and basketball games throughout the school year, are also responsible for composing
