

## Play 'Snow White' To Be Given Sat.

Final preparations are being completed for the staging of the popular fairy tale of "Snow White and the Seven Dwarfs" to be given this Saturday afternoon at 2 p.m. at the Farmington Junior High gymnasium.

The play is being presented by the Dearborn Players under the sponsorship of the Ten Mile PTA. The Dearborn Players group has been giving presentations of the play for the past several years in and around the Detroit metropolitan area. This will mark their 53rd performance of the children's classic production.

Tickets are still on sale at all school principal's offices or may be obtained by calling either Mrs. Virgil Rankin at GR 4-5789 or Duncan Carter at GR 4-412.

Two different casts are currently giving presentations of this fantasy. Taking a part in one of the casts, which will give the presentation here, is Hope Nahstoll of Farmington. She will play the part of Prince Valiant in the play.

The play is designed to be of interest to both parents and children. The price of admission has been kept exceptionally low so that the whole family will be able to attend, while parties in charge of the presentation here indicated.
