MRS. H. ALLEN GR. 4-6141

A baby girl, Margaret Mary Briolat, was born April 6 at 8:30 a.m. to Mr. and Mrs. Arthur Briolat of 32150 Loomis Drive. Margaret Mary weighed eight pounds and two ounces and was twenty inches long when she arrived at the St. Joseph Hospital in Pontiac. She came home last week where she was met by her two brothers and sister.

Mr. and Mrs. Lee O'Connor attended a Ford Players party at the home of Mrs. Joan Hussas in Dearborn last week. The party was broken up into four groups and all joined in a scavenger hunt in order to get props needed for their play "Young and Innocent" which is being directed by Lee O'Connor and is to be presented in Dearborn in May. On the list for the hunters to bring back were such things as suitcases, pillows, paper money, old clothing, a skull head and a fortune-tellers globe. Still to be found are a skeleton head and stuffed owl.

Mr. and Mrs. Ralph Keeler of Leolane gave their two children, Vickie and Jeff, a combined birthday party on Saturday afternoon. Vickie was celebrating her fifth birthday and Jeff his fourth. The children enjoyed movie cartoons shown by Mr. Keeler. Birthday cake and ice-cream was served. Neighborhood children who attended were Teddy and Debbie Gynae, Diana Wolff, Steve Theisen, Vickie Lynn Rowe, Cathy Lynn and Dennis Allen. Lollie Theisen has the measles and was unable to attend.

Denise Fleming, daughter of Mr. and Mrs. Wilfred Brown, celebrated her fifteenth birthday with a pajama party. Marilyn Johnson of Shady Ridge and Margaret Yenny of Broadview attended. The girls all attended church together the next morning and returned with Denise to her home for breakfast after church.

Mr. and Mrs. Hilmar Pike of Broadview joined with relatives from Grand Rapids, Coopersville and Farmington to surprise Mrs. Pike's parents, Mr. and Mrs. Philip Lachman, with a house-warming at their new home in Glen Orchard. The house-warming took a lot of planning to get the relatives and friends all together in secret but it was a great success as it was a complete surprise to Mr. and Mrs. Lachman.

The Altar Society of Our Lady of Sorrows met in the Parish Hall last Thursday evening. Hubert Barth and Miles Kearney members of the Our Lady of Sorrows Athletic Association talked to the ladies about plans for the new athletic building and program.

Mrs. Mary Jo Brown, secretary of the Altar Society, announced that the Mother and Daughter Breakfast will be held after the 7 a.m. Mass on May 5 at the Parish Hall.

Big plans are being made for the Altar Society Christmas Fair and the date for the Fair has been set for November 2 and 3, Mrs. Brown announced.

Any mothers in Bel-Aire with kindergarten children who walk to school who would be interested in participating in a Mothers Patrol at Powers Road and Ten Mile are requested to contact me. It has been reported that a kindergarten child barely avoided being struck by a car on the way to school at this intersection recently.

Not listed in the seed catalogues is the blooming idiot. It walks about without a coat on chill spring days, is planted in bed and harvests a crop of sniftles that it distributes to others for weeks to come.

A man there was, and they called him mad; the more he gave, the more he had.—Bunyan

MICHIGAN BELL TELEPHONE Lines

EASTER SUNDAY IS ONE of those days all of us like to be with our loved ones. A thoughtful, personal way to remember those who are far away on Easter is with a Long Distance telephone call. Your voice over the telephone will be welcome as Spring. And it will cost you very little. For a dollar or less you can call places a day's drive away. The usual low "after 6 p.m. or all day Sunday" rates apply all day Easter. Make a list now of those you want to phone a "Happy Easter."

HAVE YOU NOTICED how much more color there is around today? Even familiar objects, the telephone for one, have colorful new personalities. We have a talk on the subject called, "Color Comes Calling," that's available to clubs. In an entertaining 30 to 45 minutes, the audience learns a lot about basic color rules and popular color schemes in decorating. You'll hear how to use your color ideas, too. And men like the show as well as women. If you'd like to know more about "Color Comes Calling," call our Business Office.

FOR FORTY YEARS, Michigan Bell has given Red Cross First Aid Training to many telephone people. It has proved invaluable of many occasions. For example, a doctor's recent letter to us concerning an auto accident said: "It is entirely possible that a young lady involved owes her life to your employee. Your organization is to be commended for having such a person, and to have had a hand in his training in such an important matter as First Aid management of accidents." Telephone people in this area are naturally proud that so many of their fellow workers can perform such deeds.

GEARED TO MIDWESTERN DRIVING

"You'll like it even better when you drive it!"

Neighbor: Say, your new Olds sure looks like a lot of car!

Olds Owner: That's nothing, wait'll you take a ride.

(A few minutes later)

Neighbor: Man-oh-man, where'd all that power come from? I've never felt anything like that before!

Olds Owner: That's Oldsmobile's new J-2 Rocket Engine!

Neighbor: What's that? Tell me how it works.

Olds Owner: When you're driving under ordinary conditions, it uses only one carburetor. That means economy with a capital E. But when you need a sudden burst of power, for safety's sake, you just press the accelerator three-quarters of the way down—and two additional carburetors cut in!

Neighbor: In other words, with J-2, you can have economy when you want it and power when you need it. That's for me!

Olds Owner: Better see your Olds dealer. He's expecting you!
