Along The Creek In Woodcreek

EMOGENE DAVIS MA. 6-1407

Harold, Woodcreek's rubbish collector expressed his sincere thanks to the many residents of Woodcreek Farms who provided metal containers for their rubbish after a recent request for them in this column. Their use makes his work not only easier but more efficient, he said.

Harold has served the area for over ten years. He has made 124 pickups in this period, only missing twice—once when he had the mumps and once when his truck broke down. He has an idea for improving the appearance of the subdivision which will be announced as soon as plans are complete.

Don and Doris Wells are jubilant over the birth of their first grandson, Brian Donald. He is the second child of their daughter and her husband, Mr. and Mrs. Ray Myers. The baby arrived April 3 at Providence Hospital and weighed 8 pounds, 8 ounces.

There wasn't a dull moment at the Bob Becker home last weekend when his parents, Mr. and Mrs. William G. Gary arrived from Washburn, Wisconsin, Thursday for a two week's stay. That evening Mr. Gary's birthday was celebrated with the family augmented by June's brother, William Gary, Jr. and his family of Roseville, another brother, Lee and his family, an aunt and uncle, Mr. and Mrs. Ed Mrozik, and Bob's parents, Mr. and Mrs. William Becker, all of Detroit.

How to tell a woman's age

Look at her complexion and look at her hands. They are tell-tale signs of age. Soft Water keeps your complexion soft and clear and makes you look younger than you are. Hard water and soap forms gummy curds that clog the pores and make your skin tired and weary looking. Be youthful—look youthful—get 100% Soft Water Service today.

The past week has been a busy week in the subdivision for the celebrations of birthdays, celebrations began with Mr. Arthur J. Conklin, Jr., of Dohany Drive, who observed his birthday with a family dinner on Monday, April 8. On Saturday, April 13, the Angelo Evangelista's combined a house-warming with the 50th birthday of their lovely, new home on Dohany Drive was filled with merriment when some one hundred relatives and friends gathered together for the big event. Included on the guest list were Mr. and Mrs. S. Cavaliere and family from Windsor, Ontario, who remained for the weekend. Mrs. Cavaliere is Mr. Evangelista's sister.

Not to be left out of birthday celebration of a little three year old Jimmy Vuyl of 24445 Dohany Drive. Sunday afternoon, April 14, five of his small friends gathered at his home for fun and refreshments.

A new group of Cub Scouts has been formed, with Mrs. George May of Powers Road as Den Mother. Making up the group is her own son, Michael, Thomas Lane, David Putnam and Patrick and Timothy Doyle. Their first participation in scouting will be in the Scoutorama at Walled Lake High School, April 27.

Cyril Johnson, of Shadyridge is reported recovering nicely from surgery performed April 10 at Providence Hospital.

On April 15, P. Richard Johnson, son of the Cyril Johnson's of Shadyridge, flew to his new assignment in the personnel division at Fort Belvoir, Virginia. He spent 30 days at home after 17 months in Korea. He will be released from service in January, 1958.

Diek plans to have a few get-togethers with his brother Bob, who is in Portsmouth, Virginia, before he leaves in June for Cuba. Robert took part in the commissioning of the new ammunition ship *Manana* on April 28.

He is all praise for his new quarters, which are air conditioned, done in pastels, have foam rubber mattresses, individual ventilation units and reading lights. This ship even has a soda bar, to be commended.

My family interview this week was with the Semposki's, Stanley and Lenore, who live at 24333 Broadview.

Mr. Semposki was born in Grand Rapids, Michigan. He moved to Detroit with his family, however, when he was in his early teens and attended Cass Technical High School. He first felt that his calling was in home planning and building, but later found he was not completely happy in this work, so entered the Electronic Institute in Detroit, from which he is a graduate. The education acquired here now fills his days to capacity, for he has set up his own shop in the basement of his home in which he works forenoons. In the afternoon and evening he teaches classes at

A small group of wise thinkers is better than a wilderness of dullards and stronger than the might of empires.

Besides keeping plenty busy with the two children, Lenore is Secretary of the Farmington Hills Improvement Association, which office she is filling for her second year. Last summer Stan, together with his father, built a new boat and they are looking forward to spending their summer weekends at Lenore's parents' summer home near Harbor Beach. In order that they might better enjoy these weekends of swimming, boating and water skiing, Lenore is taking swimming lessons every Sunday at the Redford Y.W.C.A.
