Nine Local Youths Are Selected To Attend Wolverine Boy's State

Groves-Walker Post 316, American Legion, is now completing preparations to send local boys to the twentieth annual Wolverine Boys' State, which will be held at Michigan State University, East Lansing, from June 29 to June 27, inclusive.

Nine local boys will be sent this year to Wolverine Boys' State. Sponsoring organizations are: David Cushman will be sponsored by the Groves-Walker Post; Ronald Jordan by the Kiwanis Club; Ben Ridings by the Exchange Club; Edwin Fulton by the City of Farmington; Dewey Nichols by Farmington Township; and Ronald Rainsby by the Junior Chamber of Commerce. These boys were selected from the Farmington High School. Alvin Wilson will be sponsored by the Farmington Township Lions Club; James Lamb by the Clarenceville P.T.A.; and Paul Stevenson by the Clarenceville Optimist Club. These boys were selected from the Clarenceville High School.

Wolverine Boys' State is designed to develop the responsibility of leadership, to prove the advantages of citizenship, and to promote the art of clean sportsmanship. It is not a school room activity, but is designed as a practical experience for the boys who attend, in the problems of self government. It is operation in Michigan. It is not meant to take the place of courses in civics or government as taught in the high schools of the State, but it is planned so that the boys may put into actual practice the theories of American Government as taught in the class room through the actual conduct of civic, county and state offices as organized under the plans of the "Mythical 49th State."

Boys of high moral character, who show good clean sportsmanship, and potential leadership ability are the ones who are especially wanted in Boys' State. It is a program for the development of leadership, as well as the development of good citizenship. These boys were chosen by the faculties and a vote of the Junior Classes of the two high schools.

The program that has been used in past years will be used again this year. Boys, as soon as they reach the age of sixteen, are assigned to a City and will have a permanent residence in that City for the entire period of Boys' State. They will be assigned to one of two political parties, and will be identified with that party until after the elections, when the entire program will be conducted on a non-partisan basis.

The 49th State will function under these political subdivisions for a period of eight days under the basic laws of the State of Michigan, using the Constitution of the State of Michigan and the Constitution of the United States as a basis for their political activities. The Caucus and Convention System will be used throughout Boys' State in the nomination of candidates for City, County and State Offices.

The three accepted divisions of our government, namely the Judicial, Legislative and Administrative divisions, will be formed and will be under the supervision of Chief Counsellors.

The boy governor, with the approval and consent of the Boys' State Senate, will make appointments to fill the various appointments to fill the various appointments.
