

Fox-Krinke Exchange
Wedding Vows April 6

Virginia Fox, daughter of Mr. and Mrs. Carl Fox of Tuck Road, and Roy E. Krinke, son of Mr. and Mrs. R. Krinke of Detroit, were united in marriage at a candlelight service on Saturday, April 6, at the Church of the Nazarene in Plymouth.

The ceremony was performed by Reverend E. B. Jones.

Worn by the bride was a gown of white crystalite with a lace bodice. Her fingertip veil was held in place by a tiara of seed pearls and rhinestones. She carried a bouquet of white carnations centered with a lavender corsage.

Best man was Charles Sulphur. Acting as ushers were Fredland Grigsby and Jack Sebastian, the groom's cousin. Robert Rogers also helped with the seating of

guests. The groom and his attendants wore tuxedos with dark trousers and white jackets.

For the wedding the bride's mother chose a grey dress with a grey crystalite coat and pink accessories and a pink corsage. The groom's mother wore a blue dress complemented with a white corsage.

During the ceremony three solo selections including "Walk Hand in Hand With Me," "With This Ring," and "The Lord's Prayer" were sung by Irving Martin. He was accompanied at the organ by Marvin South.

Following the ceremony a reception was held at the Newburg Hall with approximately 150 guests in attendance. Immediately after the reception, the newlyweds left for a two week honeymoon. They motored to West Branch, Michigan, to spend a couple days. From there they traveled to the Smoky Mountains and down through Georgia.

On return from their honeymoon the couple will make their home on Colfax Road.

Tickets For Play
"Two Blind Mice"
Now On Sale

First business place named to handle the sale of tickets for the forthcoming presentation of the Farmington Players' production "Two Blind Mice" was the Bel-Aire Drug Store at Orchard Lake and Ten Mile Road.

The play will be presented at the Farmington Junior High School auditorium on Friday and Saturday, May 10 and 11 and again the following weekend, May 17 and 18.

Other convenient locations are being selected for the sale of tickets so that area residents, as well as residents in outlying areas, will have an opportunity to purchase tickets early in order to assure getting good seats. Key Cavanaugh, ticket chairman, said.

The play features a cast of top local talent and is also being produced and directed by local talent from the Farmington Players.

"Two Blind Mice" had a long and successful run on Broadway. All critics agreed that it was an outstanding and hilarious comedy by Samuel Spewack, satirizing government operations. The play is about a "secret" operation known as the Isombee. Max Millard, as Thurston takes the two pixilated old ladies, Martha Weber, as Lillian, and Lillian Richards, as Cry-

On their way they encounter a luscious Rumba teacher, a dynamic senator, a courier on a vital mission, a secretary who thinks she knows her way around. The play has a total cast of eighteen. This promises to be a spectacle unsurpassed in the history of the Farmington Players, officials have indicated.

Tickets may be ordered from Bel-Aire Drug or by calling Robert Cavanaugh, Key Cavanaugh, GR 4-4460.

A new age of automobiles
begins with this car

Touch a button—in less than a minute the steel top disappears magically into the trunk—and you're in a supremely elegant convertible. It's two cars in one!

Here Today! The FORD SKYLINER—world's only Hide-Away hardtop

Once in a long, long while a car comes along that people remember and talk about for years after its introduction.

The first model "A" Ford was such a car...

The first Ford V-8 was such a car...

The first Ford Thunderbird was such a car...

Today Ford Division is proud to announce still another car that many say is destined to become the most famous car of all. The Skyliner—world's only hide-away hardtop.

If you plan to buy a new Ford, or already own one, the fact that Ford created this car is important to you. For all the exhaustive research, planning and testing that went into the Skyliner is evidence of the engineering skill you get in every Ford model.

The Ford SKYLINER, the only all-steel hide-away hardtop, is a car for history. This is an old dream of Detroit, a dream of two generations of motorists.

And today Ford has made that dream come true—in steel.

But the story behind this dream is a story of men who refused to accept "no" for an answer. In the Ford tradition they kept striving toward the goal long after others had given up the chase.

To understand this Ford spirit you must go back to 1908. That was the year

when many Detroiters smiled smugly as Henry Ford announced, "We will build a motor car for the great multitude . . . so low in price that no man making a good salary will be unable to own one."

And they did. Today, nearly a half century later, Ford continues to cause the "experts" to change their tune. When you see this all-steel hardtop that retracts into a convertible, you'll be seeing a car that many said would never be mass-produced.

But Ford did it.

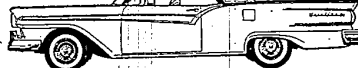

It was December 1956—after eight years of research, planning, experimenting and testing—when Ford unveiled this masterpiece . . . unveiled it amid all the pomp and splendor of the New York Automobile Show.

And now this history-making car, this prototype of a whole future generation of cars, is ready for your own personal inspection in the showrooms of many Ford Dealers.

Plan to see it soon. And ask your Dealer to show you the exciting advances in all models of the new Ford line for '57.

It's the newest new kind of

Ford

1. It's an all-steel hardtop with sleek Victoria styling . . . 2. Touch a button and presto! It's a sun-bathing convertible!
