

The "Maestros" dance band will play for the Guys and Dolls Dance Club dance to be held this Friday evening, April 12. These dances are sponsored jointly by the Clarenceville Optimists and Opt-Mrs. Clubs and are held at the V.F.W. Hall on Seven Mile Road at Grand River.

There will be no dance on Friday evening, April 19, which is Good Friday, officials indicated. They also issued another reminder that dances now end at 11:30 p.m. instead of midnight in order to assure that all teen will be off the street at the time prescribed by the new curfew in Redford.

HOPES of candidates for the Farmington High baseball team remained undampened despite the fact that unfavorable weather has kept all practice activities confined indoors. Shown above taking hunting practice is Dave Catherman. Behind the makeshift plate set up on the gymnasium floor is veteran varsity catcher, Jim Hanson. The Falcons are scheduled to open season's play on April 16 with a game against the Trojans at Clarenceville.

Trojan Baseball Team Has Hitting Strength Back

Time is creeping up on Coach Nick Jamn and his Clarenceville baseball team but the weatherman continues to refuse to let them outside for practice or scrimmages. The Trojans, five times WOCL champions, have back hitting strength in veterans Roy Carlton, Danny Colgrove and Dave Hanaford. Devitt will again play at the first base spot and he is predicted to have Clarenceville's chance to make it sixth in a row as Wayne-Oakland champs.

The probable starting lineup for the opening Farmington game will be Carlton, right field; Danny Colgrove, second base; Dave Hanaford, short stop; Dale Devitt, first base; Ettore Paduelli, catcher; Tim Hawkins, left field; Larry Andrews, third base; Tom Wilson, center field; and Leland Turnbull, pitcher. The players are listed in batting order.

Clarenceville's baseball team will open conference play when the Trojans face Holly on the home field, April 23.

Thinclads Place Ninth At Central

The Farmington Senior High Track Team took ninth place in the Indoor Invitational Track Meet, also called the Chippewa Relays, at Central Michigan College April 6.

Falcon harriers competed against 37 other class B schools, with Inkster taking first place in the meet.

Of the Farmington team, Warren Cawley, Dave Warriner, Tom Kosty, Roy Jordan, and Al LaSage made the best showings. Cawley took fourth place in the 55-Yard High Hurdles with a time of 8.85. He qualified for the 65-Yard Low Hurdles, but was eliminated in the semi-finals.

Warriner finished the 880-Yard Run in a three-way tie for fourth place. Kosty qualified for the semi-finals of the 60-Yard Dash, but was eliminated in the semi-finals. Jordan qualified for the semi-finals in the 65-Yard High Hurdles, but was eliminated in the semi-finals. LaSage won his heat in the 440-Yard Dash with a time of 31.8, but failed to qualify for the finals.

The Farmington squad took second place in the 4-Lap Relay to gain a total of seven points for the meet. Twenty-eight schools received at least one point in the invitational, Inkster topping the list with 22 points. D.A.C.

B. Stumbaugh Wins AUW Boxing Championship With KO, April 1

Bob Stumbaugh, son of Mr. and Mrs. Edward Stumbaugh of 22116 Highway, added another award to his list of boxing honors by winning the title of boxing champion in the 178 pound division on April 1.

He captured the light heavyweight title by knocking out his final opponent, Joe Rufino, in 1:47 minutes of the third round in action at Arcadia Roller Rink in Detroit.

The victory earned Bob the right to travel to Boston with ten other Detroit light-weight division winners to compete in the national A.U.W. boxing tournament. It was indicated, however, that he will be unable to make the trip because work compels him to remain here.

In 1954, Stumbaugh won the C.Y.O. Class C Boxing Championship. In 1955 Bob did not box, but in 1956 came back to capture the C.Y.O. Class B title as well as the Class A title in the Golden Gloves. Traveling to Chicago to compete in the national Golden Gloves tourney he was beaten out.

"Stumbaugh has done more for the Redford Boys Club than any other boy we have ever had," Coach Ernie Charbonneau said. He will be honored and presented with another trophy on April 18 having been voted the most valuable boy in the Redford Boys Club this year.

To date Bob has won six trophies, two medals, three pins, five pairs of boxing shorts and a satin robe. It was also indicated that he has already been made several offers to turn professional boxer.

A former Farmington High student, Stumbaugh played football on the football team, guard on the basketball team and was a member of the Varsity Club. Besides sports, Bob is reported to also enjoy singing and has occasionally sung with his brother Dick's band, "The Swing Kings."

Nick Spicer Wins Track Numeral At Bowdoin

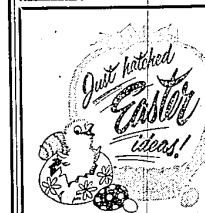

Nicholas G. Spicer of Farmington was among a group of 17 freshmen at Bowdoin College, Brunswick, Maine, to be awarded freshman at Bowdoin College, named this week by Athletic Director Mal Morrell. A star track performer at Farmington High, Spicer ran in the 1,000 and mile events at Bowdoin this year.

World Championship Billiard Player To Perform At Playtime Recreation

Putting on a performance in billiard artistry at Playtime Recreation at 28144 Grand River Avenue, a short distance east of Middlebelt Road, on Saturday, April 20, at 8:30 p.m., will be world champion, Willie Mosconi.

He will give a lesson in pocket billiard fundamentals. The swift-shooting Mosconi will show his audience that, with careful attention paid to fundamentals, anyone can play billiards well in a short time. He will devote his show to pocket play, a demonstration of correct procedure, and to trick shots which never fail to startle and amuse his audience.

His appearance here will show the type of play which carried him to the top of the billiard heap. In addition, his audience will discover that Willie is a likeable chap, more than willing to help with tips to a better pocket billiard performance.

The gifted Mosconi, called by many experts the greatest pocket billiard player of all time, has held the world's title thirteen times, winning it for the thirteenth time in a recent match with Irving Crane at Philadelphia.

Mosconi captured his first world's championship in the spring of 1941, winning a national league tournament. All told he has held the title in thirteen of the last fifteen years. Four times during the fifteen year period he has had to regain the title.

After losing the title to Crane in April, Mosconi regained it December 2 at the conclusion of a 10-block match at Philadelphia, 1950 to 1956. Three times during the match, Mosconi stopped Crane cold by overwhelming him with 150 to 0, 150 to minus one, and 150 to 3 scores. During the course of this spectacular one-man show, Mosconi also had four runs of over 100, the largest being a run of 150.

The glances you direct at your neighbors, the hunt for a dropped glove, the search for the last kernel of popcorn, the wide and deep field of vision—all help to make movie watching in a theatre less eye fatiguing than viewing television, the Machine Company reports. Watching TV converges the eyes steadily for a long period on a small, static area. It is wise occasionally to look away from the screen and not sit too near to your TV set, or at too much of an angle.
