CLAYTON GOERS

To Sing In Opera  
At Marygrove

Among the Marygrove College sophomore class members to present their annual Lenten program in the college auditorium this afternoon April 11, will be Sharon McHugh, daughter of Mr. and Mrs. Joseph F. McHugh of 32781 Eleven Mile Road. She will sing in the choral group.

Successfully keeping the title of the show a secret, the class today announced that they were presenting the Victor Herbert comic opera "The Fortune Teller."

A gay, fast moving show, it centers around a lost Royal Lottery ticket, which is believed to be held by a member of the Grand Opera Ballet. The combination of mystery, comedy and light-hearted gypsies makes the story an all-time favorite.

The annual "Soph>Show," as it has been called, is traditionally presented by the sophomores during the Lenten season and the proceeds are contributed to a fund for the foreign missions.

Our cars and roads have been improved. Now let's improve our driving. —DRIVE SAFELY

Players Rehearse  
In New Quarters

Rehearsals are now being conducted at the Old McWilliam's Barn on 12 Mile Road, new home of the Farmington Players, for the forthcoming play production of "Two Blind Mice."

The three act comedy, by Samuel Beckett, will be presented by the Players on Friday and Saturday, May 10 and 11 and again the following week on the same two nights, May 17 and 18. Although the floor has now been finished and lights and all the other conveniences have been installed the play will not be presented in the new quarters because of previous arrangements for the play to be given at the Junior High gymnasium.

Officials indicated that tickets may be purchased from any member of the Players group. They also pointed out that tickets will be good for any performance.

## Plan Father Night At Bond School

The Bond P.T.A. announces that Monday evening, April 15, will be Father's Night at the Bond School. Entertainment for the evening program which will start at 8 p.m. will consist of solos, a reading, a quartet and even an animal act, all performed by the fathers in the P.T.A. group. The following Fathers are participating in the program: Jay Stoup, Emil Jessie, Mike Loria, Dick Seelye, Ray Van Steen, Jack Davidson and Ed Weber. Rolfe Ring, program chairman, jokingly commented that he was unable to sign Patience and

Prudence, but was very fortunate to be able to get Precious and Persistence. When asked what the ladies could do for the program, Mr. Ring said he would just appreciate their support by attendance at the meeting.

On the business slate for this month will be election of officers for next year.

Refreshments will be served following the program.

Foam rubber pillows should be washed in lukewarm soap of detergent suds using a squeezing motion to circulate suds through the millions of little air cells. At least three rinses are needed to be sure that no suds residue remains. Next, place each pillow between two large bath towels, kneading it to squish out most of the moisture. Then let it dry in an airy place away from heat.
