# Power Package for Going

### You never before handled a car like this Buick!

 $S^{\rm AY}$  you like to grip the wheel of a really nimble handler.

Say you like to push the treadle on a sweet and lively performer.

And say that along with this going-you like your stopping neat, solid, and sure.

If such is the case, then this beauty comesgift-wrapped for you.

It's the 1957 Buick we're talking aboutand this you'll find: You've never before handled a car like it.

With its new 364-cubic-inch V8-with its new instant Dynaflow - with its new brakes, new ride, new steering, new roadability, new everything - this one

like silk. Like honey. Like a lark on the wing or an arrow on its way. It's like nothing else on 4 wheels.

So come try this dream car to drive. Even the good news on price will make you happy. See your Buick dealer today.

New Advanced Variable Pitch Dynaflow is the only Dynaflois Buick builds today It is standard on Roadmoster, Super and Century-optional at modest extra cost on the Special.

When better automobiles are built Buick will build them
