where a dream once existed the
reality now stands—because that
man places his trust in God and
worked unselfishly. Because you

The secret of a good cottage
cheese sandwich is to use bread
with lots of "character." Rye,
pumpernickel, Boston brown bread
or a fruit and nut bread make de-
licious sandwiches. Just combine
the cheese with any kind of jam or
marmalade or with chopped chive
or watercress or with chopped nuts
or olives.

**Plan Combined Theatre Training,
Recreation Program At Will-O-Way**

A new summer program for chil-
dren, teen-agers, and adults, which
will combine practical professional
theatre training and recreation is
being introduced this summer at
the Will-O-Way Apprentice Thea-
tre.

The school is located on West
Long Lake Road, Bloomfield Hills.
The new program consists of
two four-week courses for children
(6 years, through 14 years); for
teen-agers (15 years through 17
years) and for adults (18 years
and older).

The first term is June 25 to
July 19; the second term is July
28 to August 16. The children
will attend classes four days each
week. Tuesday, through Friday,
three hours every day either in
the morning, 9 a.m. to 12 noon,
or in the afternoon from 1 p.m.
to 4 p.m.

The teen-agers and adults will
have classes two days a week:
a choice of either Tuesday and
Thursday, or Wednesday and Fri-
day. The two hour classes will be
held in the afternoon or evening,
as the student chooses.

A regular term of dramatic
work will be covered in each four-
week term.

The University Plan, for college
students, will be offered again this
summer. The eight-week term be-

SALADS

Brightly colored spring salads
will sharpen appetites. Yellow-
green leaf lettuce, bright green
spinach, jade green water-
cress and red-veined beet leaf
make a colorful combination for
just pennies per serving, says the
MSU Marketing Information A-
gent, Mrs. Josephine Layner.

One secret of salad success is
dry salad greens. After washing,
pat them dry. Dry salad greens
will not dilute the dressing during
the tossing, and the salad will
come to the table looking crisp
and inviting.

"We Were Amazed"
Says CAR LIFE,
The Family Auto Magazine

We were amazed as we drove the
Special four-door hardtop, to find that
an automobile could be completely
changed yet retain so much of its
former appearance and character. The
1957 models have all the familiar, solid
Buick virtues.

What you have to do is get in this car and
drive it. Drive it around the block, through
town, out on the highway. Actually feel what
happens when you press the gas pedal, turn
the steering wheel, touch those powerful
new brakes.

Then—and not till then—will you know why
folks call this "the dream car to drive."

The best advice we can give you, by far, is
this: Ask your dealer for a trial run today.
