site, and disputed claims that some industries had left Michigan.

The Geerlings study during the summer, lawmakers hope, will come up with definite answers that can be proved for guidance of themselves and future generations of legislators.

NATURAL GAS to heat more homes in outstate Michigan is a growing possibility.

Panhandle Eastern Pipe Line Co. said it can divert its supplies from Detroit, it will be able to transfer enough outstate to serve 175,000 new customers.

The extra gas for outstate would go to existing retail outlets, like Consumers Power Co. Panhandle indicated that Detroit has enough gas supplies from other sources to meet its needs.

Michigan Consolidated Gas Co., the principle Detroit area retail outlet, will oppose the transfer, claiming it needs all the gas it can get.

Legislators and some local officials are continuing their investigation toward getting natural gas supplies for the Upper Peninsula.

Some of the present ideas are to tap the Trans-Canada pipeline, encourage Michigan distributors to tap a new market, or help them build a pipeline to the Upper Peninsula.

"The huge national debt our younger generation will inherit should keep them from any indulgence - ancestor worship!" -Wall St. Journal.

American tourists who traveled overseas last year spent a record total of \$1.2 billion - some \$200,000,000 more than in 1955.

Scholarships Awarded 13 Seniors To Be Attending College This Fall

In reward for ability, merit and initiative, 13 college-bound F.H.S. seniors have been awarded scholarships to aid in their college finances.

Nancy Beal and Lindell Ross were twice honored. Nancy received a tuition scholarship to Albion and a University of Michigan Regents Alumni Scholarship. She has decided to accept the Albion scholarship.

Ross was awarded a Michigan State University Entrance Scholarship. Ross has made State his final choice.

University of Michigan Regents Alumni Scholarship. She was also awarded to Barry Beal, Richard Hoffman, Barbara Place and Jane Boyce.

Three students received recognition in the National Merit Scholarship.

Win National French Honors

Judy Cook has done it again. For the second year in a row Judy has placed second in the State on a national language exam.

Last year Judy placed second in Michigan in Spanish II and this year Judy placed second in French.

This test is compiled by the national committee made up of French teachers from all over the nation. Altogether 1110 students from all over Michigan took this exam.

Mary Susan Heaton from East Grand Rapids High School placed first with the score of 94.75. Mary also placed third in the national rating. Judy's score was exactly 90.

Judy Cook was chosen as alternate to Girls' State and she also received the language award this year. J.H.

Outline Final Exam Schedule

Final exams will be taken on June 11 and 12. On Tuesday, first through third hour classes will have their exams. On Wednesday, fourth thru sixth hours will be held. The schedule for these two days is:

Tuesday, June 11
8:15-9:15 1st Hour Classes
9:25-10:25 2nd Hour Classes
10:35-11:35 3rd Hour Classes
Wednesday
8:15-9:15 4th Hour Classes
9:25-10:25 5th Hour Classes
10:35-11:35 6th Hour Classes

There will be no school on Thursday of that week. Friday the buses will arrive at school around 9:00 a.m. and leave at about 10:25 a.m. During this time lockers must be cleaned out and checked by an advisor. Students will then go to the room to which their home room is assigned and receive their locker refund and report card. T.E.D.

Y-Teens Elect New Officers

The F.H.S. Y-Teen club held their elections for next year's officers and discussed plans for their Boy-Girl Picnic last Tuesday, May 28.

The officers elected were: Carolyn Balman, president; Betty Van Ameyde, Vice President; Karen Robinson, Secretary; Mary Hults, treasurer; and Virginia Mantala, Inter-Council representative.

The five officers plan to attend a conference to be held at Camp Cavell the last of August. The camp is located on Lake Huron. The Boy-Girl picnic will be held June 14 at Kent Lake. There will be swimming and various other activities to round out the afternoon. The girls will supply box lunches for their dates. W.C.R.

Fall Registration Schedule Set

The final registration for the '57 school year will begin on August 21 and continue through August 30. All students in grades 10 through 12 will be expected to come to the high school office and pick up the completed copy of their schedule. The office will be open from 9 a.m. to 12 a.m. and from 1 p.m. to 4 p.m.

The teachers will meet on Tuesday, September 3 and Wednesday, September 4, to make the final plans for the opening of school. Regular classes will begin on Thursday, September 5, at 8:15 a.m.

Students will be expected to have acquired their books before this date from the book store.

Former Student To Teach Here

Dick Tyler, FHS alumnus who graduated in '35, will return again to Farmington next fall, but this time as a teacher. After finishing high school, Dick first attended Heidelberg College, but he received his college degree from Eastern Michigan College. Dick will teach history at Farmington.

Dick Tyler's record at Farmington, where he attended school from the first through the twelfth grades, is very impressive. He was an outstanding school citizen and athlete. He was active in football, basketball, and baseball and was the winner of the Keith Johnson Award from the class of '35. Dick was a member of the Varsity Club and in his senior year was elected captain of the varsity basketball squad.

Scholastically, Dick ranked in the upper one-fourth of his class. In his senior year Dick was a member of the Rollcall staff and was vice-president of both the Student Council and the Choir. M.M.

Annual Award Tea Held By Council

The Student Council held its annual awards tea last Monday night. The current members of the Council and those elected to serve next year attended the tea.

Pins were awarded to members who have served on the Council for two years and certificates to those who have served one year. A movie on student government was shown.

The National Honor Society members served punch and cookies to the Council members.

High School Student Load To Be Reduced

Next year the halls of F.H.S. will be a little less crowded. About 100 seniors are graduating, but there will be no freshmen in this building next year.

This year's enrollment was 859 students, a record for the high school.

Assuming the present classes have the same number of students, and about 50 new ones move in this summer, next year's enrollment will be between 750 and 800.

According to school officials, these totals should remain substantially the same.

Spanish To Be Taught In Junior High Next Fall

Spanish will be taught in both Junior Highs, Farmington Jr. High and the new O. E. Dunckel Jr. High. Students showed a preference for the language in a poll taken earlier this year.

It is not known who will teach the course.

"What about these new
electric water heaters?"

"They're the safest you can buy
and Edison's new Super Supply Plan
gives you all the hot water you want!"

SOMETHING NEW IN ELECTRIC WATER HEATING!

Only electric water heaters give you all these important advantages:

- ☑ Safest water heater built—flameless
- ☑ Plenty of hot water—24 hours a day
- ☑ Install anywhere—no flame, no fume
- ☑ Efficient—no heat wasted up a flue
- ☑ Cleanest—no soot, it's all-electric
- ☑ Cool to the touch—top to bottom
- ☑ Long lasting—built to rigid Edison standards

They add up to the finest hot water service ever offered in Southeastern Michigan

See them at your dealer's, plumber's or Edison office
