TURKEY CROP

Turkey any day of the year is more a reality now than ever. The 1857, turkey crop will be a record, even more than the 77 million birds raised in 1956 reports the MSU Marketing Information Agent, Mrs. Josephine Lawyer, Large storinge holdings are almost double who they were last year at this what they were last year at thi

EVERYONE AGREES ...GAS IS BEST ... COSTS LESS!

Yes, everyone agrees that Natural Gas Service is one of today's greatest household bargains. Like magic this quiet, dependable, economical, tiny gas flame provides greater comfort and more leisure hours for every member of the family. Gas serves the average family with the luxury of gas heating, air conditioning, cooking, water heating, refrigeration, clothes drying and incineration. No other modern service in the home today, does somuch, yet costs so little. Think of the time and labor saved . . . the comfort and convenience that today's modern automatic gas appliances provide. If you're modern—really modern-your home is equipped with gas!

> Enjoy living with ... GAS! IT'S FAST, CLEAN, ECONOMICAL and MODERN

paganda. They also will be "sucking rest" for Socialism of various other types.

Only an astonishingly small percentage of high school and college boys and girls have been studying a few control of the control of the

high school course in American History.

The outline was prepared for teachers and school administrators all over America who have been seeking gudance in establishing courses in American elitory is one of the four citizenship education. American History is one of the four citizenship courses developed in recent years under the supervision of Harding Academy's Perry Mason, Superintendent. The other courses are Civies, American Government, and World Government. Bustrated, acrefully detailed outlines are a valiable to any teacher or interested para-is for Punits

carefully detailed outlines are available to any teacher or interested parent.

The History outline presents these goals to be developed in each pupil: (1) An understanding and appreciation of our American system of government; (2) Improvement in human relations based on a recognition of the worth and dignity of the individual; (3) An understanding and form of government, as contrasted with pure democracy and various types of Socialsim; (4) A knowledge of democratic processes with a determination to see that they are applied at the national, state, and local levels; (5) An understanding of politics (5) An understanding of politics.

state, and local levels;

(5) An understanding of politics and political parties, and a dedication to wholesome political activities; (6) A sense of patriotism political setting and political setting and particular to work toward building a batter nation to work toward building at basic structure from all forces which might destroy it. The out which might destroy it. The out of the property of t
