Brownie Troop 3 Looks Back On Active Organizational Period.

Clarencville Brownie Troop 3 looked back last week on an active five month period since the group held its first meeting on February 25, under the leadership of Mrs. Marjorie Schulkins.

Assisting Mrs. Schulkins with the troop have been Mrs. Vera Bedson, co-leader, and Mrs. Alida Houghton, Mrs. Clara Hawley, Mrs. Eunice Clemens and Mrs. Marian Zander, committee people.

A total of 12 girls were present at the first meeting and made waffles out of Crisco cans wrapped with wallpaper. On March 20 the girls attended the Girl Scout birthday party put on by the Clarencville Girl Scout Association.

The leader the girls made place mats for their mothers and for Mother's Day made their mothers' crowns of gumdrops, dillies, candy, ribbons and pipe cleaners. For a Mother's Day project they painted and decorated and made place mats which they used on Mother's Day. They also made their own cards.

On May 21 they participated in the Clarencville Memorial Day parade and went on a hike to Ball Creek Park afterwards. They

selected a secret meeting place here at this time.

Big day for the unit was June 8 when 11 girls were officially inducted into the Brownie Troop. Invited were Gale Ann Aldrich, Carol Bedson, Diana Bedson, Linda Blythe, Jackie Giles, Peggy Haack, Cheryl Lamb, Mary Lou Love, Jean Piggott, Sharon Schulkins and Jean Piggott and color guards, Carol Bedson and Linda Blythe.

After the inducture Brownie songs were sung and films shown on the activities of Troop 6 and the Girl Scout birthday party. Games were then played outdoors after which a luncheon was served.

The last regular meeting of the Troop for the season was held June 12 with Father's Day cards being made.

On July 2 the girls were guests on the "Our Friend Harry" TV program and on July 15 visited Kresge's and the gardens at Northland.

Regular Troop meetings will resume again on Wednesday, September 11. Any girls living in the Central School District between the ages of 7-9 are invited to join the troop. Those wishing further information about the troop are asked to call Mrs. Schulkins at GR 4-0269.

Flooded Family Seeks Assistance

Assistance is being sought by the Godin family of 2741 Grand River Cut-off, at Holsted Road, who were flooded out of their home during the heavy rain storm last Thursday.

According to Mr. Godin, everything in their home was ruined when drainage arteries overflowed and water rushed between 10 to 12 feet into the house. His family narrowly escaped before the water from plugged drains rushed onto his property and flooded out the house.

Godin requested that anyone wishing to donate household items or clothes to replace that which was destroyed when his home was flooded contact him by calling GR 4-2559. He indicated that he would pick up any items which residents wished to donate.
