

New England Women To Meet September 7

The first general meeting of the Redford-Farmington Colony of the National Society of New England Women will be held at the home of Mrs. LeRoy Voorheis on Lyndon Avenue, September 7.

The new officers for the 1957-58 administration are Miss Cora Ann Ballou, president; Mrs. Walter Martens, first vice-president; Mrs. William Hendry, second vice-president; Mrs. Paul Sewell and Mrs. Arthur Pritchard, secretaries; and Mrs. Everett Scarborough, treasurer.

At the conclusion of the business meeting, Mrs. Neil Cameron will speak on the topic, "Having Fun With Your Ancestors."

Tea will be served following the talk.

Browsing Through Farmington Hills

MRS. DAVID KRINGS GR. 4-9644

Three couples in the subdivision observed their anniversaries this past weekend, each in the same manner, but on successive days.

First to do so, were the Joseph Kacin's of Dohany Drive, who attended the theatre following dinner at Devon Gables, on Saturday, August 17.

On Sunday, Doris and Bill Hamill of Powers Road, also went to Devon Gables and the theatre, with friends who were married on the same day, twelve years ago.

On Monday, August 19, Dave Krings and I celebrated our 27th anniversary in the same manner.

The Kacin's observance came at the end of a weeks vacationing in the Upper Peninsula, which included a visit to the Soo Locks and Tannamoon Falls. Their two boys, Joseph and Jimmy, enjoyed some fishing at one of the trout feed ponds, and provided the family with some good trout dinners.

The family of Ralph Ross moved into their new home on Dohany Drive, Saturday, August 17.

Betty Johnson of Shadyridge, en-

tered Highland Park General Hospital for surgery Monday morning, and will be there for a week to ten days.

Sharon and Judy Thomas have some cool (temperature 47 degrees) stories to tell of their first camping experience. Together with their parents, the Andrew Thomas's of Dohany Drive, they spent ten days at Camp Leelanau, where they stop at home again, they motored to Indiana, Pennsylvania, for a visit with Mrs. Thomas' parents, Mr. and Mrs. Harry Ball.

Mr. and Mrs. Ollen Peters of Dohany Drive, have returned from a week vacation spent visiting friends in Muskegon, Michigan.

After a week's stay at a cottage at Tawas, the Donald Ronin family have returned to their home on Dohany Drive.

Also home again are Jimmie and Bobby Conlin, who spent a week at the Baptist Church Camp at Mill Lake, near Chelsea.

As a turn-about, we have had visitors from Canada, enjoying a vacation with friends in our subdivision. Mr. and Mrs. E. Hopkins of Oshawa, Ontario, and Mr. and Mrs. William Barnfather, of London, Ontario, have been recent guests at the home of Mr. and Mrs. J. C. Brown on Dohany Drive. Also three of their grandsons, Jimmie, Johnny and Roger Brown, all of Detroit, have been spending part of their vacation with Grandma and Grandpa Brown. Their granddaughters had their stay earlier in the summer.

Recent visitors at the home of Bill and Lillian Carpenter of Dohany were Mr. and Mrs. Richard Walker and son, Ricky, of Lansing. While here, both families enjoyed a visit to the Detroit Zoo.

Mr. and Mrs. Hamill, of Powers Road, together with small daughters Donna and Darlene, spent a few days with Mr. Hamill's brother, Robert, at their summer home at Jose Lake, near Hale, Michigan.

Two young boys in our subdivision joining the ranks of young business men are Bill Woodward and Bob McLean. Bill has taken over the paper route of Brian Beals, who handled the east end of the subdivision, and Bob is keeping customers in the west half of the subdivision contented.

PRESIDING over activities of the Groves Walker American Legion Post as commander for the coming year will be Harold F. Quinn of 23229 Pickett. His wife, Irene Quinn, will preside as president over the American Legion Post Auxiliary Unit. The husband and wife team are shown above shortly after being installed into office at a joint installation ceremony held last Friday evening at the American Legion Home.

Along The Creek In Woodcreek

EMOGENE DAVIS MA. 6-1407

Maurice and Mary Tyghe, with sons Marvin and Tommy, reported a glorious three weeks on their vacation on Cape Breton Island, Nova Scotia.

There were all kinds of fish to be caught off the dock or farther out in deep waters, they indicated, and the invertebrates on the rugged islands, with roasted lobster instead of the usual fare of weiners or hamburgers. They witnessed the annual Regatta of sailing boats at Baddeck.

Alexander Graham Bell's magnificent estate with its beautiful museum and the inventor's tomb proved a decided attraction for the whole family. The highlight of the vacation for Mary, who is a native of Nova Scotia, was a trip over the scenic Cabot Trail with its spectacular views of the picturesque shoreline and islands.

Vera and Dick Norvall have spent several weekdays visiting friends who have a farm in the Irish Hills. They came back loaded with fresh produce to fill their freezer for good eating in the coming winter months.

Bill and Charlotte Thompson, with son Dick, returned last weekend after spending several weeks at the Homestead at Glen Arbor, Jerry, who has spent the summer

at Camp Leelanau, came home with them.

Nelson and Ruth McCarthy with Danny and Kyle, also spent a weekend at Glen Arbor, bringing Brian home after his summer there. The last night at camp featured a banquet for the boys and the parents, followed by closing ceremonies around a huge campfire under the pines.

The P. L. Wheelers' son, Richard, has begun his shingle at 19323 James Couzens Highway, between 7 and 8 Mile Roads. Richard recently completed his training as a dentist and is associated at the above address with Dr. DeRoosier.

Bob and Ruth Weaver are bursting their buttons over the arrival of a new little grand-daughter. She was born August 15 to their daughter, Ruth Sebrell, and her husband, Ralph. The baby's sister and brother, Bill and Cheryl, are staying with the Weavers for the duration.

Vera Norvall's niece, Inez Mozurk, was honored guest at a shower given by Ruth McCarthy Tuesday evening. Guests included several Woodcreek neighbors, friends from Detroit and relatives of the groom. The evening was spent playing bridge, after which the bride to be was presented with many gifts of china and silver. Refreshments concluded the evening.

Obituaries

Mrs. Martha Mae West - Mrs. Martha Mae West of 22712 Power Avenue, Farmington, passed away in St. Joseph Mercy Hospital in Pontiac on Monday morning, August 19, following an extended illness.

Mrs. West was born December 29, 1889 in Springfield, Ontario, the daughter of Alward and Martha Johnson. She attended school in Springfield and on May 31, 1917 was united in marriage to Henry West. Mrs. West had lived in Farmington for the past forty years. She was a life member and past matron of the Farmington Chapter, O. E. S. 239, and a member of the First Methodist Church of Farmington.

Mrs. West will rest at the Thayer Funeral Home until noon Thursday. Funeral services will take place at First Methodist Church at 2:00 p. m. Thursday with Reverend Russell V. Sursav officiating. Farmington Chapter, O. E. S. 239, will have charge of the internment service in Oakwood Cemetery.

Surviving besides Mr. West is one son, Edgar of Farmington. She also leaves one sister, Mrs. Emma Adams of Fort Erie, Ontario, and two brothers, Charles of Fort Erie and Floyd of St. Thomas, Ontario. Also surviving are two granddaughters.

David Rysan Marsh - David Rysan Marsh passed away August 17 at the residence of his niece, Mrs. Irving (Lorraine) Nich of 3233 Shawansee, following a short illness.

He was born in Eagle, Ontario, Canada, April 17, 1882, the son of Ephraim and Eleanor (Young) Marsh and was a member of the United States, living in Detroit for several years before coming to Farmington two weeks ago. He was a former member of the National Guard.

Mr. Marsh leaves one sister, Mrs. Louis (Esther) Upleger of East Detroit, and several nieces and nephews.

Funeral services were held at 1:00 p. m. Tuesday at the Spencer J. Heenev Funeral Home with Reverend William Upleger of Meadowlawn Chapel, Ferndale, officiating. Interment in the Roseland Park Cemetery, Berkley.

Lawn Seeding Time Is August, Says Authority

If you are planning to seed a lawn, August is the time to do it, according to C. M. Harrison of the farm crops department of Michigan State University.

The usual dry weather of August makes in weed control and helps the soil easier to prepare. The grass should be sloped away from the house and the top soil should be spread and disced in during the first two weeks of August.

A high nitrogen fertilizer such as 12-6-6, 10-6-4 or 10-10-10 should be applied at 15-25 lbs. per 1,000 sq. ft. and then the seed bed should be finished out smooth.

One to two pounds of seed will cover 1,000 sq. ft. August 15 to September 1 is the best time, just before the fall rains.

Harrison says bluegrass is well adapted for the open sunny areas on fertile loams and clays. On the shady areas or sandy low fertility soils, red fescue is the better grass.

Combinations of the two on a 50-50 basis is effective on mixed soils or areas with spots of shade.

Harrison suggests the seed be allowed to germinate and start growing before water is applied but after it is started the seedlings should not be allowed to wilt.

Later seeding does not allow enough growth and winter killing will result.

The good grasses take more time to establish but a little patience will produce the finer lawn.

The methods of Communism are succinctly described by a top authority, Mao Tse-tung, Chief of the Communist Chinese State: "We in China have used force to deal with enemies of the people. The total number of those who were liquidated by our security forces numbers 800,000. This is the figure up to 1955." Since then he added, "persuasion and education" have been substituted for terror.

As of a late date, more than \$300 million from individual investors was involved in the planning and construction of atomic plants and related research. Forty-four electric companies were participating in building nine reactor plants with a capacity of over 1,000,000 kilowatts.

Suggests Foods For Hot Weather

Don't cut down on your consumption of essential foods when the weather is warm, because when days are hottest your body has its greatest need for the food elements that build cells and protect health.

Mrs. Alice Smith, Chief of the Nutrition Section of the Michigan Department of Health, suggests that summer menus be planned around meat, eggs, fresh fruit and vegetables, topped off with plenty of milk and other liquids.

"Essential elements your body needs to meet the stresses of summertime living," Mrs. Smith said. "They will also make you feel cooler because they contain fewer heat-producing calories than do fatty foods."

She explained that a person's need for essential foods is higher during the summer than at any other time of year because of the seasonal increase in physical activity and the added stress of adjusting to the summer heat.

"Persons who don't receive an adequate diet in the summer often experience fatigue and exhaustion," Mrs. Smith said. "And so if you feel tired in the summer, make sure your diet is adequate."

"To be adequate, the summertime diet should consist mainly of protein and carbohydrates," Mrs. Smith said. "It should include such items as gravies, pastries, or fried foods in general should be included."

A good daily start toward an adequate diet can be made by eating a breakfast of citrus fruit or fresh fruits, whole grain or enriched cereal, toast, milk, and an egg. The day's other two meals should include at least one hot dish to stimulate appetites.

"Appetites also will be pepped up if food is served in an attractive manner," Mrs. Smith said. "Fresh fruits and vegetables are the best diet to be most appealing if prepared immediately before they are served."
