This is the **EDSEL**
"A remarkable new automobile joins the Ford family of fine cars"

There has never been a car like the Edsel. It is a magnificent automobile. Behind it lie all the resources of Ford Motor Company, all of the experience and engineering skill. The results: The Edsel is powered by the newest V-8 engines in the industry—the Edsel 400 and the Edsel 475. Specifications: 400 and 475 foot-pounds of torque; 303 and 345 horsepower; 10.5 to 1 compression ratio. The Edsel's big, safer brakes do not need periodic tightening.

They adjust themselves automatically in the course of your day-to-day driving. The Edsel shifts itself. With Teletouch Drive, you just touch a button on the steering wheel hub. Teletouch Drive does the rest—smoothly, surely, electrically. The Edsel's list of available new features includes contour seats; a warning light that flashes when you exceed your pre-set speed limit; another that flashes when oil is one quart low; a release that lets you open the luggage compartment from the driver's seat. There are many things that make the Edsel different from any other car you have driven. More exciting, more sure, more safe. What does an Edsel cost? Prices range from just above the lowest to just below the highest. You can afford an Edsel. And you can choose from four series, 18 models. Stop in soon at your Edsel Dealer to see and drive the newest car in the world: the Edsel. EDSEL DIVISION • FORD MOTOR COMPANY

Now you can see and drive the **EDSEL**

The Edsel's distinction is easily seen in the classic vertical grille, the low, wide, light deck, the elegant lines of the cars shown here. Above: Edsel Corsair 2-door Hardtop. Below: (left) Edsel Citation 4-door Hardtop; (right) Edsel Pacer Convertible.
