Reverend W. Kellison To Speak At Detroit Church Dedication

Reverend Walter Kellison of the Farmington Universalist Church will extend greetings from the Universalist Church of America at the dedication ceremonies at the Detroit Unitarian-Universalist Church at Cass and Forest Avenues on Sunday, October 6.

Keeping in step with modernization of downtown Detroit, the Unitarian-Universalist Church of America at Cass and Forest Avenues has just spent over \$100,000 to remodel its church house, a move necessitated by the growing number of children enrolled in its church school officials said.

Dedication ceremonies are scheduled during the morning service. Dr. Frederick May Elliot, president of the American Unitarian Association, has accepted the invitation to dedicate the remodeled building.

An open house will be held starting at 4 p.m. at which time the public will have an opportunity to tour through the building. Following the tour, a program designed to show the partnership of science and liberal religion, the attitude of liberal church toward prayer, salvation and the Trinity, and how religion can be taught to today's children, as well as other related subjects will be presented.

Reverend Kellison will be one of the seven discussion leaders who will meet with individual groups to air various aspects of liberal religion. His topic will be "What is the Council of Liberal Churches?"

Other are Universalist and Unitarian ministers and their topics will be:

Dr. Tracy Pullman, Detroit, who will explain "Attitudes of the Liberal Church Toward Salvation, Prayer, Creeds, the Bible, Jesus,"

Rev. Russell Lincoln, Birmingham, "How the Liberal Church Uses the Bible,"

Rev. Edward Redman, Ann Arbor, "Science and Religion,"

Rev. Constance Young, Detroit, "Teaching Religion to Today's Children,"

Rev. Frank Gentile, Northwest Detroit, "The Liberal Church in History,"

Rev. William Hammond, Grosse Pointe, "Worship in the Liberal Church."

YOUR CHILD AND PROCRUSTES
Procrustes is a mythological giant who forced strangers to fit his bed. If they were too long their legs were lopped off. If they were too short, their legs were stretched. Most parents try to fit their children into such pre-determined molds. The child's personality, his mind, his "soul" is trimmed, stretched, bent and twisted until it accepts of creed and dogma. Universalism teaches that what a person IS is more important than what he professes. Universalism has no creed, no dogma. **Your Child Can GROW In Universalism**
