

Film On 'Krebiozen' Shown At Zerbo's

The magnificent documentary of the great controversy recently reviewed by millions of people on nationwide television will be presented in a special program.

Prepared very objectively by the Times Watch Corporation, it is uncut and is being presented exactly as the TV audience viewed it.

The documentary will be shown at Zerbo's Health Foods, 34104 Plymouth Rd., between Farmington Rd. and Stark Rd. Time, 7:30, and re-run showing at 9:20 p.m. Nov. 11, Wednesday.

Plymouth Opens Michigan Cancer Branch-Hough Bldg

The Michigan Cancer Foundation is a non-profit voluntary health agency dedicated to the control of cancer by means of a year-round program of Research, Education and Service.

The Plymouth branch office now located at the Mariette Hough Memorial Building will be glad to help you with free services ranging from sickroom supplies to transportation for out-patient treatment.

There are many leaflets on hand for information about rehabilitation programs for Laryngectomies, Colostomy Clinic, how to seek truths about cancer, also requests for films for programs may be made through your local office.

Specialty designed Christmas Cards, with all monies donated are allocated for the purpose of research, are available.

You may make gifts of money as a memorial to the Foundation, as a tribute to an honored friend or relative, these gifts too help in the research programs and add substantially to the Foundation's annual income.

Why not stop in some time and let one of the local volunteers talk to you about this worthwhile service. Hours are from 1:00 p.m. to 3:00 p.m., Monday, Wednesday, and Friday.

Henrietta Dobbs is service chairman of the Plymouth Branch office.

evening, Call GA 73144 for more information.

See Dr. Andrew Ivy, former vice president of the University of Illinois in charge of the medical school, and Dr. Steven Duro, who present the positive side of this issue. See also the opposition.

Pre-discussion by the Rev. Ken W. Weber, pastor of the Bradley Memorial congregation, Detroit, Mich., who will review the case with up-to-date news items concerning the Krebiozen situation.

Literature will be available, including Herbert Bally's book, "Krebiozen, a Matter of Life and Death."

Harry Zerbo will present an illustrated lecture on the theme "Albumin Displacement and Protein Metabolism."

No admission charge will be made — a free will offering will be taken to help with the costs of the program and on behalf of Krebiozen public relations fund.

Education Week Proclaimed Here

American Education Week will be marked in Livonia this week with open houses and special events at public schools throughout the community.

The week was marked with a special proclamation issued by Mayor Harvey W. Moeke this week.

Said the Mayor, in his proclamation: "WHEREAS, the American system of free public education is a most vital force in equipping this nation's children and youth to meet the many challenges of the future; and

"WHEREAS, the nation's schools and the schools of this state and of this community are essential to preserving the American way of life; and

"WHEREAS, a rapidly changing world requires that education change to meet new challenges without diminishing the traditional American approach of the supreme worth of the individual; and

"WHEREAS, the moral and financial support of all citizens is necessary in the great task of educating young people for their roles as responsible Americans:

"NOW, THEREFORE, I, Harvey W. Moeke, Mayor of the City of Livonia, do hereby designate November 8 through November 14, 1964, to be American Education Week and urge all citizens to reaffirm their interest in the aims and achievements, and in the preservation of this training ground of democracy."
