

A 'Thank You' to Redford Township Residents

We the families of Joe Bommarito and Lucille Sawulski wish to express our sincerest thanks and appreciation to the schoolmates of our children from John D. Pierce Junior High and Thurston High School. Thanks are also extended to the following:

Mr. Merlin Roe, Superintendent of the South Redford School District.

Mr. Joseph Rzepka, Assistant Superintendent of the South Redford School District.

Mr. Block, Principal of Thurston High School.

Mrs. Ditzhazy, Assistant Principal of Thurston High School.

Mr. Schechter, Principal of John D. Pierce Jr. High.

All of the teachers from Fisher, John D. Pierce and Thurston High. Especially Mr. Iwono who represented the Thurston

High School Faculty and was present at the funeral home every day, and also Joe's bus driver.

Reverend Welsch and Reverend Howard for their kind words, understanding and prayers.

To the Sisters of St. Hilarys.

For his wonderful assistance in assigning officers to maintain an orderly ingress and egress of traffic at the funeral home.

To all of the officers who did such a wonderful job of their assignments. To Sheriff Buback and his officers for their assistance on the day of the funeral.

A very personal thanks to all of Joe and Lu's intimate friends for their unselfish and sincere contributions which certainly made us feel very proud of our children. As we watched the children and adults leave the casket we were deeply touched at the genuine expression of grief on their faces. We hope and pray that the tragic loss of our children will not have been in vain and will remain a burning memory on the minds of all drivers, hoping they realize that the operation of a motor vehicle is more destructive than a gun in the hands of a deranged person. There will always be a place in our hearts for all of you.

May God Bless each and every one of you.

Sincerely,

Mr. and Mrs. A. Bommarito

Mr. and Mrs. G. Sawulski

Five Colleges To Debate In Livonia

College students will debate the proposition "Resolved: That the Federal Government Should Establish a National Program of Public Work for the Unemployed" in three different locations in the Livonia area on Monday, Nov. 9.

The students, representing five different colleges throughout the country, will be participating in the eighth annual "Debate Days in Detroit." The pro-

gram is under the sponsorship of the Wayne State University Speech Department.

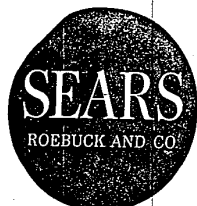

At 9 a.m. at Franklin High School the team from Purdue and Augustana College will meet. Western Michigan and Purdue will meet before the Livonia Rotary at 12:15 p.m. The Lora Valley Kivans will hear teams from Northern Illinois and Penn State universities debate at 6:20 p.m.

Sixteen major colleges and universities will participate in the competition and will debate before sixty-four different audiences in the Detroit Metropolitan area.

The overall tournament winners will be announced Tuesday, Nov. 10 at 3 p.m. at the WSU Alumni House. Four trophies, donated by The Detroit News, will be awarded to the four top teams.

A QUARTET OF LIONS assisted in Wonderland Center's prize-drawing to determine the winner of a 1965 Ford Mustang. The winner was picked by 11-year-old Anne Stewart, 15927 Denby, Redford. Detroit Lions stars (left to right) Tommy Watkins, Nick Pietrosante, Wayne Walker and Jim Gibbons supervised the proceedings. Ford Mustang courtesy of Bill Brown Ford.
