Said bonds will be dated November 1, 1964, will be coupon bonds in the denomination of Five Thousand Dollars (\$5,000) each, will be numbered consecutively in direct order of maturity from one (1) to two hundred fifty (250), both inclusive, will bear interest from their date at a rate or rates not exceeding four and one-half per cent (4½%) per annum, expressed in multiples of 1/20 of 1%. Said interest will be payable on the first day of May, 1965, and semi-annually thereafter on the first day of November and May in each year. The interest rate on any one bond shall be at one rate only and represented by one interest coupon for each coupon period, and all bonds maturing in the same year must carry the same interest rate. Accrued interest to date of delivery of such bonds shall be paid by the purchaser at time of delivery.

Said bonds will mature serially as follows:

- \$ 25,000 on May 1 of each of the years 1966, 1967 and 1968;
- \$ 30,000 on May 1 of each of the years 1969 to 1974, both inclusive;

Said bonds are not subject to redemption prior to maturity.

For the purpose of awarding the bonds the interest cost of each bid will be computed by determining, at the rate or rates specified therein, the total dollar value of all interest on the bonds from January 1, 1965 to their maturity and deducting therefrom any premium. The bonds will be awarded to the bidder whose bid on the above computation produces the lowest interest cost to the Community College District. Each bidder shall state in his bid the interest cost to the Community College District, computed in the manner above specified. No proposal for the purchase of less than all the bonds or at a price less than 100% of their par value will be considered.

The bonds of this issue may be registrable as to principal only on books kept by the paying agent.

The bonds are to be issued pursuant to the provisions of Act 188, Public Acts of Michigan, 1955, as amended, and the Community College District is authorized and required by law to levy upon all taxable property therein such ad valorem taxes as may be necessary to pay these bonds and the interest thereon, without limitation as to rate or amount.

A certified or cashier's check in an amount of \$25,000.00, drawn upon an incorporated bank or trust company and payable to the order of the Treasurer of the Community College District, must accompany each bid as a guarantee of good faith on the part of the bidder, to be forfeited as liquidated damages if such bid is accepted and the bidder fails to take up and pay for the bonds. No interest shall be allowed on the good faith checks and checks of unsuccessful bidders will be promptly returned to each bidder's representative or by registered mail.

Bids shall be conditioned upon the unqualified opinion of Miller, Canfield, Paddock and Stone, Attorneys, 2500 Detroit Bank and Trust Building, Detroit, Michigan, which opinion will be furnished, without expense to the purchaser of the bonds prior to the delivery thereof, approving the legality of the bonds. The purchaser shall furnish bonds ready for execution at his expense. Bonds will be delivered without expense to the purchaser at a place to be designated by the purchaser.

Inquiries with respect to the details of the issue should be addressed to Miller, Canfield, Paddock and Stone, 525 Hollister Building, Lansing, Michigan, 48933, Attorneys for the Community College District.

The right is reserved to reject any and all bids.
