tended Payment Plan.

- Automatic — just load it, set it and forget it
- 2 agitation-spin speeds for safer, better washing of all fabrics
- 3 washing cycles: Normal, Delicate and Wash 'n' Wear. (Wash 'n' Wear cycle provides gradual water cool-down to prevent spin-set wrinkling, ironing is easier.)

Plus these features: Choice of 3 wash-water temperature selections—Hot, Warm and Cold. Built-in screen-type lint filter is out of way, operates full time.
