FARMINGTON

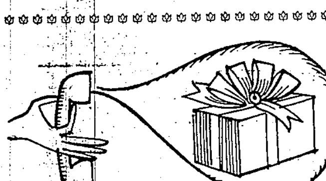
By HUGH BRONAUGH, *Mgr.*

SOME OF YOU HAVE ASKED why we don't somehow prevent annoying telephone sales calls from reaching our customers' homes. One reason is that the law requires us to provide service for any lawful purpose. And selling by phone is entirely legal. Another reason is that many sales-by-phone organizations really do offer outstanding bargains. We wouldn't want our customers to miss out on those.

We do try in many ways to encourage better telephone manners among business people. Gradual improvement can be expected as a result.

Meantime the law of self-defense certainly applies. When a telephone salesperson is rude or overly insistent on the phone ... feel free to hang up.

THIS CHRISTMAS, GIVE YOUR PHONE AN EXTENSION—and give yourself the added convenience of two phones at a fraction more than the cost of the first one. What can say more at Christmas, and all year long! To order your Christmas extension phone, call our Business Office or ask your Telephone Man.



SHOP EARLY for the best buys at Christmas. Equally good advice: shop by phone, whenever the weather's too bad or you're too busy for shopping in person. You'll enjoy the season twice as much, because of all the time and trouble you save.

Then I insured the car with State Farm too, and with their low rates I saved even on the insurance! Guess a lot of car owners save like this with State Farm. SAFFLOWER MARGARINE FOR WHITE SAUCE

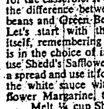
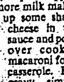
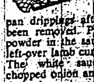
Everyone has at some time in life known a really superb cook. If you know more than one, you are indeed fortunate; and it just might be that you are one of these people yourself. Cooks perform their magic with the simplest of ingredients and plenty of imagination. One kitchen magician I know says she starts off with a white sauce and continues from there. A good basic white sauce can go on to be cream soup or a base for the casserole. It can be gravy or the difference between plain green beans and Green Beans Parisienne. Let's start with the white sauce itself, remembering that the magic is in the choice of ingredients. You use Shedd's Safflower Margarine as a spread and use it for baking. Make the white sauce with Shedd's Safflower Margarine, too!



Melt ¼ cup Shedd's Safflower Margarine in saucepan over low heat
Blend in ¼ cup flour
Gradually add 2 cups milk

Always use low heat or make the sauce in a double boiler to keep the delicate flavor. Use a large spoon for blending the flour and keep stirring as you add the milk. When thickened, keep the sauce hot over boiling water. Add salt and pepper as needed, of course. 2 cups cooked, diced potatoes, 1 tbsp. chopped chives and a little more milk makes potato soup. Slice up some sharp cheese in the sauce and pour over cooked macaroni for a casserole. For gravy, simply add the basic sauce to the pan drippings after the roast has been removed. Put a little curry powder in the sauce and serve on left-over lamb curry. Those beans? The white sauce, plus ½ cup chopped onion and a small can of drained mushrooms with cooked green beans. The white sauce must be smooth which means stirring constantly and you must start with the best ingredients, which simply means Shedd's Safflower Margarine.





BETTER FOR YOU
better tasting, too

Now you can get even the fussiest members of your family to eat all those vitamin packed vegetables. Use Shedd's Safflower Margarine to add fine flavor to everything you cook and bake. And Shedd's Safflower Margarine is GUARANTEED lower in saturated fats than any margarine available in grocery stores.
