

Farmington Sailor In Recovery Force

Gunner's Mate Third Class Robert B. Byrne, USN, son of Mr. and Mrs. Francis J. Byrne of 2322 Springdale Drive in Farmington, was a member of the task force, which recently recovered the unmanned Gemini II space capsule while serving aboard the destroyer USS Eugene A. Garza in the Atlantic.

The anti-submarine aircraft carrier USS Lake Champlain made the actual pickup of the capsule.

His ship was part of a task force of 11 ships, 40 aircraft and more than 4,000 Navy men trained for the recovery of the space capsule.

First reports from the Lake Champlain indicated the capsule completed the flight in excellent condition.

The successful flight of the Gemini capsule paves the way for manned orbital flights in similar capsules later this year.

Slogan for motorists during the new year: Stay alive in '65.

Kendallwood Comments

By STEFANIE KUESTER
476-8869

The bowlers of the Kendallwood P.T.A. Bowling team are having a wonderful time and at the same time raising funds to build the P.T.A. treasury. The money will be used for some worthwhile project which will be announced in the near future. Margaret Barry was the happy winner of the bowling knockout last week with thirty-five pins over average.

Marge Mallen of Baintree Road, K-9, is recuperating nicely after her recent operation. She will be home by press time and all her friends in the Kendallwood Sub. wish her a speedy recovery.

Chris Pelt, daughter of John and Lucille Pelt of Farmersville Road, K-1, recently took part in a song-fest at Duncklee Junior High. All seventh graders participating in music took part in this program. The title of this song-fest was called, "Let's Sing the Old Songs."

The director of this program was Mrs. Erskine Evans.

Incidentally, Lucille who is an ardent square dancer, has now turned to modern dancing such as the Cha-Cha, the Bossa Nova, etc.

The Scribs wishes to remind you that her telephone number has been changed to 476-8591.

It's suspected, but can't be proved, that woman was the original walkie-talkie.

Great Decisions 1965 Program To Open Feb. 7

For the eleventh successive year, Oakland County residents can become personally involved in the most pressing problems of the world when the GREAT DECISIONS program begins this week of February 7.

Great Decisions is an annual discussion program with citizens meeting informally in their homes to discuss the most important foreign policy topics of critical importance to the United States.

MORRIS, THOMAS, 1,000 communities throughout the nation are taking part in the project. The series was started in 1955 by the Foreign Policy Association, a non-partisan educational agency.

It has won widespread support by educators, civic leaders and legislators. The chairman of the honorary committee sponsoring the program for Southeastern Michigan is Walker L. Cline, chairman of the Board of the Detroit Edison Company.

Study material for the discussions comes from a non-partisan fact booklet published by the Foreign Policy Association. THIS YEAR'S topics are particularly conducive to lively discussion. They are:

RED CHINA—Menace or Paper Tiger? week of February 7; GERMANY—Key to Europe? week of February 14; TRADE, FOOD AND DOLLARS—What Policy for the U.S.? week of February 21; SOUTH AFRICA—Threat to Peace? week of February 28; EASTERN EUROPE—End of the Satellite Era? week of March 7; THIS UN AT TWENTY—Asset or Liability? week of March 14; VIETNAM—Is Victory Possible? week of March 21; and THE POPULATION BOOM—Can It Be Controlled? week of March 28.

The discussion groups can be organized with a minimum of formality.

ANYONE WISHING to form such a group need only invite from 5 to 15 interested persons to join him one evening a week for these challenging sessions.

In a number of communities in this area the Great Decisions series has been incorporated into social studies courses. At Grosse Pointe High School, for example, it forms a part of the seminar on world history this semester.

Recognizing its educational significance, KTH Radio WDET-FM and Television Channel 56 will broadcast Great Decisions programs throughout the eight week period. Starting February 10, Tuesday at 3:15 p.m., WDET-FM will present a special program repeated the following day at 8:30 p.m. Each Wednesday, WTVS, Channel 33, will broadcast at 7:00 p.m., repeating each program the following day at 8:00 p.m.

Those participating in the Great Decisions series have the added satisfaction of knowing that the conclusions their group reaches will help formulate national policy.

THIS IS MADE possible by eight opinion ballots contained in each kit. The League of Women Voters of Detroit has agreed to act as the clearing house for ballots in this area.

In the Oakland County area a number of public libraries will serve as distribution centers for the kits containing the fact booklet on which the discussions are based. The kits are obtainable for free upon request. LIBRARIES in this area which have the kits are:

Baldwin Public Library, Birmingham; Bloomfield Township Public Library, Telegraph; Blair Memorial Library, Clawson; Ferndale Public Library, Ferndale; Huntington Woods Library, Scotia H.W.; Madison Heights Public Library, W. 13 Mile Road; Oak Park Public Library, Oak Park Boulevard; Pontiac Public Library; East River; Royal Oak Public Library, E. Eleven Mile; and West Bloomfield Public Library, Orchard R.

The Corner Book Store in the Downtown Farmington Center also has kits.

In addition they may be obtained by mail from the University Center for Adult Education, 60 Farnsworth, Detroit, Michigan 48202.

Camp Fire Girl Candy Sale Set

The annual Candy Sale sponsored by the Camp Fire Girls will be held January 28 through February 15. Assorted chocolates by Russell Stover will be promoted by the girls in the red, white and blue uniforms.

This is the only money making project of the year with the one dollar the Camp Fire Girl collects, being divided in this way: cost of candy, 30 cents; to operate camp, 31 cents; group profit, other costs 3 cents. Candy profits are an important part of the council budget.

HERE IS what they do: help support the group to which the C.F.G. belongs—by donating costs of trips and dues; make campships available to girls who need a few more dollars to complete a day resident or group camp fee; keep lovely Camp Wathana operating all year round and in good repair; make improvements on the camp site and provide day camp aids; and VERY importantly, stabilize the financial structure of the council, assuring special projects not supported by the allocation from United Community Services through the United Foundation.

Watch for Camp Fire Girls in your area and help support their annual project!

Thomas J. Gladd, son of Mr. and Mrs. Andrew J. Gladd, 2456 Orchard Lake, was among new students enrolling in Tri-State College, Angola, Indiana, at the opening of the winter quarter.

Enrolled in the Department of Mechanical Engineering, Gladd is a 1964 graduate of Brother Rice High School, in Birmingham.

U of M Speaker To Be Presented By U.N. Assn.

The Oakland County Chapter of the United Nations Association will present its next program at 8 p.m. Thursday, January 28, at the Birmingham Community House.

The speaker will be Dr. Harold Jacobson of the University of Michigan. Title of his speech will be "The U.S. and the U.N. and Peace Keeping." He will give special emphasis to changes in the U.N. since 1960.

Presently Dr. Jacobson is an assistant professor of political science at the U. of M. He previously has taught both at Yale and the University of Houston. He is a member of Phi Beta Kappa and several other honorary societies.

DR. JACOBSON has received research grants from both the Horace H. Rackham School of Graduate Studies, the Rockefeller Foundation and a number of others. He has made extensive field trips to Europe, Africa and Asia in connection with his research.

AUTHOR of "The USSR and the U.N.'s Economic and Social Activities" and a number of shorter publications, Dr. Jacobson also edited "America's Foreign Policy."

The public is cordially invited to attend this lecture for which there is no charge. There will be a question period and refreshments will be served after the talk.

Because of the exquisite beauty found in each of the four Harris Funeral Homes and the excellent type of service rendered, some people may assume that funeral costs are high.

The fact is that Harris Funerals cost no more than ordinary funerals.

Thousands of families we have served can testify to this statement of fact.
