NANCY NOBLE
476-5010

MARY WISCHMEYER
476-5583

Our brisk winter days are keeping Meadows close to their firesides and entertaining out-of-town guests. Visiting Mr. and Mrs. William O'Connell of Lakeside was Kitty's sister, Mrs. James Mayer of Hopkinton, Mass. Billy and Ellen O'Connell waited until the arrival of their aunt to celebrate their birthdays.

A former Fred Astaire dance instructor, Lil Leopold of Cleveland, Ohio, spent the weekend with old friends, Ray and Dorothy Jeffers of Meadowlark.

AN OUT-OF-TOWNER who missed a luncheon given for her by former neighbor, Lu Grenier, was Ginny Oakes. Battered and icy roads kept Ginny in her new Lansing home. Enjoying themselves in spite of Ginny's absence were Joe Justice, Helen Jankowski, Arlene Strane, Mary Wischmeyer and Jean Osborne.

Neither ice, rain nor snow could keep card players from meeting at Barb Chenot's home on Robinson. Playing bridge were Pat, Winston, Yvonne Leakey, Barb Chenot and subbing was Sharon Fitzpatrick. Pinochle players included Evelyn McGuire and Barbara Zeldin with Nancy Croft and Edna Quinn subbing.

MR. AND MRS. JOHN Reiss, resident of Robinson, recently celebrated Vito's birthday with "dinner for two" at the Roost, casual.

Blowing out birthday candles this week are Barbara Bouchard, Randy Bieby, S. Sheryl Manning, Randy Black 14, Bob Grenier, and Paul McLaughlin Jr.

Brand new residents to our sub are Barbara Acker, daughter of Rosemary and Don Wurster of Larkspur, who arrived on January 24 weighing in at seven pounds, 12 ounces; and a new son to Mary and Ed Hatt, born of Annwood who arrived on January 25 at Woman's Hospital.

HEARTS AND CUPIDS to Jack and Bobby Skaggs who celebrate their 7th anniversary this month; to Tom and Doreen Douglas, their 13th; to Orman and Nellie Bowers, their 15th. Additionally celebrate their on St. Valentine's Day; and to Einar and Amanda who can look back on 31 years of togetherness.

Letting the pneumonia bug get her down was Tracy Ann Jacobs. Recovering from recent surgery in Children's Hospital is two-year-old Sergio Poborka, grandson of Vi and John Reischneider. Ray Willard of Robinson traveled to Ohio last week for his father, Charles Willard, through major surgery in which he had a lung removed. Elaine Rittlerding is up and about again after recent surgery at Women's Hospital.

WINNERS OF Girl Scout skating badges were Jeanne Wischmeyer, Pam Platto, Carol Carabin, Cathy Blatz, Shant Burrell, Chris Washburn, Linda Vanden Heuvel, Loral Oral, Sheila Stuck, Doris Mellon, Debbie Gibb, Jan Jeffers and Linda Springmeyer.

Boy Scout Troop 118 of Flanders School held a Court of Honor at the school Jan. 28. Receiving their Tenderfoot Badges were R. Young, W. Fielding, K. Jaski, T. Rhodes, G. Richter, K. Beaversdorf, D. Foster, K. Smith, D. Willard. Three awards were received: Star Awards. They were R. Black, D. Lavigne and D. Robertson. Sargent Harrison from the Farmington Public Safety Department gave a very interesting demonstration on Fire Safety. Troop 118 will have a live demonstration Thursday, February 11, 6 to 8 p.m., and Saturday, February 13, 3:30 to 6 p.m., at Pioneer Oldsmobile on Grand River Avenue. Parents as well as the general public are welcome.

THE FARMINGTON Senior High Ski Club enjoyed a week-end of skiing at Nubs-Nob Ski Resort near Harbor Springs, Michigan. Tenets from the Meadows included: Jack Strane, Mike Jones, Cathy Mitchell, and Karen Osborne.

ANSWERING A CALL to higher education is Mary, Ed Rhodes and Doreen Douglas who are classmates taking courses in Elementary Education at Schoolcraft Community College.

Almost takes a Siskier to agree in Mathematics to figure out the bowling averages of the 16 teams in the Meadows but here are the individual high point scorers: Jack Inch, 231; Glen Stock, 236; Bill Platto, 232; Joan Bambas, 203; Donna Platto, 203; and Marie Ruyle, 200. Sharing the limelight in first, second and third places are The Hopetuts, The Splitsters and The Livid-Ones.

Anyone in the Meadows wishing to secure tickets for the American Field Service Benefit Dance please contact Betty Willard of Robinson at 476-5883.

Dry air is starved air. Just like plants need water so do you and your home. Starved air causes dry skin, throat and nose irritations, loosened furniture joints and brittle fabrics. The General 990 POWER HUMIDIFIER adds the proper moisture to the forced warm air from your furnace. Installs easily.

How to add a room...

without cooling off the rest of the house

consider electric heat

Give your new room its own heating system—a modern flameless electric heating system. Electric heat is clean, comfortable, perfectly controllable. Simply dial the warmth you want and you get it exactly—without stealing heat from the rest of the house. How much will electric heat cost to install and operate? That depends on your particular home. One thing sure, it won't cost you a cent to find out. An Edison Heating Specialist will gladly come out to discuss equipment and cost of operation with you. No obligation for this estimate, of course. Just give us a call.
