meet victory of the season against no defeat. The Lancer captain has a string of eleven dual meet victories (two of the 1960-61 season) and is a leading candidate for Regional honors.

**THE LANCER** point-getters in the Southfield meet were: Tony Tucker, 85-pound weight division, pin in 3:40; Brian Maes, 105-pound, pin in 3:37; Mike Solar, 120-pounds, 18-1 decision; Jerry Wipplowski, 127-pounds, 8-4 decision; Rick Korte, 145-pounds, 5-1 decision; Cliff LaFond, 151-pounds, pin in 19 seconds (record); and Heavyweight, Steve Queen, pin in 37 seconds.

**LAPOUNDS** is second pin in the OLS record set by his brother, Mike, who graduated from Sorrows in June of 1961. The fastest pin record has been in the LaFond family for several years. The first to hold the record was Dave LaFond (OLS 1961). Cliff LaFond is just sophomore and will have two more seasons to work on setting a new mark in the record department.

Still another member of the LaFond clan, Tim LaFond, a freshman who has shown considerable promise this season in the junior varsity ranks, did a creditable job in the Southfield meet filling in for Lancer regular John Clark in the 133-pound weight division. Clark suffered a compound fracture of the arm in a skating accident last week and will be lost to the Lancers for the balance of the season. Although young LaFond was decided by his Bluejay opponent, he kept the Lancers from losing five points by forfeit and put on a strong performance in spite of the fact he had been out of action with sickness a week and had not returned to top form.

The Lancer junior varsity lost to Southfield, 35 to 12. Point-getters for Sorrows were Ben Shuster, Mark Hartwig and Les Novak.

**IN A DUAL MEET** with Clarenceville High School January 28 at OLS, the Lancers scored a narrow, 23-9, victory.

The Lancers won for Sorrows in the dual meet with the Clarenceville Trojans were:

John Hughes, 112-pound weight division, pin in 3:57; Mike Solar, 120-pounds, 18-1 decision; Rick Korte, 145-pounds, 5-1 decision; Cliff LaFond, 151-pounds, pin in 19 seconds (record); and Heavyweight, Steve Queen, pin in 37 seconds.

## N. Farmington Downs Thurston To Stay in League Title Race

**BY DENNIS GLADCHUN**  
North Farmington poured in 23 points in the final quarter to rally to a 29-17 victory over Thurston, 68-59, to remain one game out of first place in the Northwest Suburban League.

Coach Schultz paced the Raiders with 24 points, as they rolled to their fourth consecutive triumph, and sixth in their last seven. Schultz hit nine field goals and was near-perfect at the foul line as he made six out of seven shots.

**GUARD RICK LORENZ** pushed in nine shots from the floor for 18 points, while John McDonald hit seven field goals for 14 points. Larry August added nine points by shooting from the foul line.

North Farmington took an early lead as Schultz scored eight of his points to lead NF to a 16-6 edge in the first quarter.

John Page led the Thurston attack in the second quarter with 10 points. Thurston outscored the Raiders, 20-16, in the second period to take a one-point advantage at halftime.

**SENSING A VICTORY**, the Redford squad returned to the floor in the third quarter and stretched their one-point margin to three points after three quarters of play, 48-35.

Knowing that the loser of the game would be eliminated from league title contention, North Farmington came back strong in the fourth quarter and scored eight consecutive points to push ahead to stay. The Raiders went on to outscore Thurston in the final period, 20-11, and coast to the 11-point victory, 68-59.

John Page of Thurston took game scoring honors with 12 points in the game, with 20 or 28 points.

Schultz's 24 points raised his league scoring average to 18.3 points per game, with 110 points. Closely behind is Rick Lorenz with 108 points and an average of 18.0 points per game.

**SENIOR JOHN McDONALD**, who missed the first portion of the season with a leg injury, is averaging 11 points a game since returning to his starting position.

With four Northwest Suburban contests remaining, North Farmington will play at home on Monday, February 1, at 7:30 p.m. in an away dual meet.

The next home meet for the Lancers will be Saturday, February 13, against Willow Run. The meet is scheduled to begin at 2 p.m. in the Lancer gym.

Another Longstanding Public Service Feature of The Farmington Enterprise

Farmington is in good position to tie for the league title, and still has a chance to win outright championship. The Raiders trail Birmingham Groves and Oak Park by one game, and meet each school once in the next four games. If NF closes out with four more league victories and another league member can knock off the leaders, the Raiders would gain their first outright basketball championship since joining the Northwest Suburban League.

**A VICTORY** against Oak Park Friday night would put NF where it wants to. The Raiders will play at home on Monday, February 1, at 7:30 p.m. in an away dual meet.
