Help Needed For Expanding Scout Program

The Ottawa District Boy Scout District is in need of more men, to help bring the Scouting program to boys, according to Edward Goetz, district Scout executive.

Ottawa District, which includes the territory from Eight Mile Road in Farmington on the south to Pontiac Lake Road on the north and between Inlander Road on the East and the county line on the west, has at present 75 units with an enrollment of 3,000 boys and 1,400 adult Scouters. Many organizations are ready to sponsor troops, packs or Explorer posts, but men are needed to administer the program.

Officials of the district are at present conducting a man-power recruitment drive in an effort to provide more units for the estimated 6,000 boys who at present have no chance to participate in Scouting.

Anyone who is interested in helping with this vital program may call the Boy Scout Service Center in Pontiac, PE, 4-2599 for more information.

Also, any man of the district who is interested in giving some time to Scouting is especially invited to attend the next district meeting to be held at the Aunt Jemima Pancake House in Wixom on Wednesday, March 10. This will be a supper meeting which will begin at 6:30.

Films depicting the Scouting program and the part played in it by adult Scouters will be shown.

"You need not make a reservation, just come. You will be most welcome," said Albert C. Graebner, district chairman.
