Area Activities

Coordinated by MRS. ROBERT KULL 474-8481

HAPPY BLUE BIRDS

The Happy Blue Birds of the second grade at Bond School include Elaine Beaton, Debbie Guthrie, Candace Heather, Nan Kapernanos, Elisabeth Kroepel, Linda Larkin, Chris Simonson, Brooke Wiley, Gayle Lawless, and Leslie Simble. Our leader is Mrs. D. Kapernanos and Mrs. Janne Simonson is her assistant.

The Happy Blue Birds meet each week at the home of our leader. Activities have included trips to Keansington, the Birmingham Fire Station and the Children's Art Institute. We have made bird houses, our own Blue Birds, and projects for the past holidays. Mrs. Larkin planned games and refreshments and assisted Mrs. Kapernanos at our Valentine Party recently.

CHEERFUL CHIRPERS

The Cheerful Chirpers meet at the home of leader Mrs. Kathryn Wille in Kimberly. At the last meeting they made winter scenes from dark blue and white paper. Clady Allaire took charge of the roll and collecting dues. Christine Blazevyk brought the treats: one of the time was spent playing games outside.

BLUE BIRD FAWNS

There are two new members in the Blue Bird Fawns and they are Nancy Axson and Marianne Walck. We meet at the home of Mrs. Abraham in Briar Hill. We had our second chance at glazing greenware when we worked on bud vases last week. Last year we had a great time glazing mugs for ourselves. Inside of each one was a special surprise.

O-K-H-I

When Mrs. Paul Cosper visited the O-K-H-I group to tell us about India, she was wearing a sari, which is a dress. Wear

ing bracelets made in that country, she showed us slides of India. We enjoyed some Indian biscuits and tea served by Maria Steiger. We met on February 24 with Mrs. Steiger's group Te-Pa. On March 13 we have invited a Girl Scout troop to visit us.

TE-PA

At the Te-Pa's second meeting this week, the O-K-H-I girls came to help us make books for receiving our honors. Books for officers of our group were made at this time, also.

Delta Gamma Elects Chapter Officers

The recently installed officers of the Farmington Alumnae Association of Delta Gamma are president Mrs. Richard Boyesen, secretary Mrs. Fred Sawchuk, treasurer Mrs. William Linnin and Anchora, correspondent Mrs. Jerry Upp.

On March 13, the Delta Gamma Founders' Day Banquet will be held in Fries auditorium in Grassie Pointe. The Grassie Pointe Alumnae Association of Delta Gamma will sponsor the event which will be attended by members of the Farmington Association, Birmingham, Dearborn and Detroit chapters.

Mrs. Linnin, 682-4211, will accept reservations until Friday, March 5.

Apples are in good supply and prices are not expected to change significantly from January levels. Heavy early movement of standard storage apples has caused controlled atmosphere rooms to be opened earlier than usual this year. Large size apples continue to be in short supply with premium prices. Smaller size apples are abundant.

Girl Scouts to Hold Big Birthday Party

Southeast Farmington Neighborhood Association wishes to invite the parents and families of all Brownie, Junior and Cadet Scouts to their big birthday celebration on March 12 from 7 to 9 p.m. at East Junior High School.

Eighteen troops will be participating in the program on an international theme. Troops will carry flags from various foreign countries. Each girl will wear a "Swap Apron" on which will be swaps she has made for trade. With 18 sister scouts.

DUMES FOR DAISY contributions will be placed in a big paper mache birthday cake.

Special guests for the evening will be Mrs. Al Zacher, Neighborhood Chairman, and Mrs. Ruth Plew, District Advisor of Southern Oakland Council.

Mark your calendar now so you won't miss the big event! We'll be looking for you there for a very entertaining evening.

High potato prices resulting from reduced supplies are expected to continue. The December 1 storage stocks of potatoes held by growers and local dealers were 15 per cent less than on the same date in 1950, and smallest since 1937.

Local K of C Council To Form Boys' Group

St. Francis Council No. 461, Knights of Columbus, announces the formation of a Columbian Square Circle, to be located at the Council headquarters 21900 Middlebelt Road between Nine Mile Road and Grand River Avenue in Farmington.

Catholic boys between the ages of 13 and 18 are eligible to participate in this most interesting, worthwhile program. All those indicated as eligible who may be interested in joining the square should contact St. Francis Council without delay. The initial screening of applicants will take place Saturday, March 13, at the Council hall.

Members of St. Francis Council having boys of eligible age are especially urged to encourage their boys between these ages to sign up for the square today!

Last week's snowstorm left everyone in our subdivision homebound for awhile; but thanks to the combined efforts of our shovel tot' men, the entrances were cleared and the cars freed.

As the first snowflakes fell, our newest resident made his arrival at Beaumont. His wife, Jeffrey Andrew, and his proud parents are Barbara and Robert. He is a son of Glenmore Heights Drive.

MIKE GOETZ had a few toddler friends in Monday to help him celebrate his second birthday. Craig Webb, Larry Jensen, Shaun Pollock and Kenny were on hand for play and ice cream and cake.

In from Lansing for the Flower Show and a visit with Pat Wayne's mother, Mrs. S. L. DeVore.

THE WELCOME MAT is out this week for Ken and Loretta Hedges and their two children, Ellen 4, and James 2. The Hedges moved into their home on Larkshire from Detroit.
