Inez Rayman Hosts Local VNA Meeting

Mrs. Inez Rayman was hostess to the Farmington Committee of the Visiting Nurses Association at a business meeting held at her home on Feb. 5.

Mrs. Frank Zuzich, Chairman of the Sub-Committee of Planning for the Mentally Retarded in Oakland County, was the guest speaker. This committee was appointed to discuss means of aid to mental health and the mentally retarded from a Federal grant by Act of Congress. It was pointed out that of 15,777 births in 1963, 477 of these were born retarded.

MRS. ZUZICH was happy to announce a new service to this county, a sheltered workshop, which is called "New Horizons" located at 1221 Campbell Road.

New Horizons is all the name implies being a compromising type workshop which employs retardates who are compensated for work which they are able to do on contracts given by the industrial plants in the area. New Horizons is not only a contribution to our economy by helping the manufacturer, but also in helping our mildly retarded to become useful contributing citizens.
