

**Kappa Delta Alumni Gathering Slated**  
Kappa Deltas of the North-Coast will be Mrs. Wil West Suburban Alumnae group. Following dinner which will gather for a palatial dinner scheduled for 7:30 p.m., members will work on favors for the Ann Arbor Trail, Plymouth, National Kappa Delta Convention in July. Special recognition will be given members who have excelled in the magazine sale subscription. Profit on the project goes to the sorority's national philanthropy. For further information call Mrs. Donald Greenbury, 476-5535.

**Farmington Doctor Attends Seminar**  
Dr. P. A. Parente, 2538 Orchard Lake Road, Farmington, Michigan, was among doctors attending a recent three-day clinical seminar held in the Convention-O-Hare in Des Plaines, Illinois, suburb of Chicago. Lectures and panel discussions emphasized the importance of protein, metabolism and its relationship to the prevention and treatment of diseases.

# Hill & Dale Garden Club Wins Home and Garden Show Honors

The Chrysler Cup, coveted gold trophy bestowed each year to a garden club, has been won for the second time by Hill and Dale Garden Club of Farmington.

Mrs. Joseph Ziska of 23040 Peppermill, Farmington, club president, accepted the trophy last Sunday at Cobo Hall in the closing hour of the 1955 Home and Garden Show, sponsored by the Builders Association of Metropolitan Detroit and attended by more than 100,000 people this year.

HILL AND DALE Garden Club President Kathy Ziska is pictured above receiving the Michigan Horticultural Society's club excellence award trophy from Mrs. Lloyd L. Hughes (right), MIS Executive Secretary. The Hill and Dale Garden Club won more ribbons at the recent flower show held in Detroit's Cobo Hall than any other single club.

PRESENTATION was made by Mrs. Lloyd L. Hughes, executive secretary of Michigan Horticultural Society. She explained to garden lovers gathered in the society's exhibit center that Hill and Dale Garden Club had received the most blue ribbons in the flower show at Cobo Hall this year—in all—for arrangements brought to the exhibition by the club's members.

Mrs. Hughes said this was a feat not often equaled by any garden club, since, of the 18 blue ribbons awarded, Hill and Dale carried off more than half of them.

SPONSORED by the Chrysler Corp., the trophy is presented in the traditional competition in the name of the Michigan Horticultural Society. The cup was acquired by the society in 1937, through the kind offices of the corporation's former president, K. T. Keller.

The winning club gets to keep the trophy for a year, and if the same club wins it three years in succession, that organization has permanent possession.

MRS. ZISKA SAID that members of Hill and Dale, having won the prize in 1954 and 1955 in the annual Home and Garden Shows at Cobo Hall, were rededicating themselves to all-out efforts to bring that trophy permanently to Farmington.

Garden clubs that have won the cup in former years, and whose names are engraved on Northwest Detroit, the 1960-61 prize-winning club.

1957, Northwestern Garden Club; 1958, Grosse Ile Garden Club; 1959, Mrs. Bert H. Warden Windmill Pointe Garden Club; 1960 and 1961, Garder Study Club of Northwest Detroit; 1962 and 1963, East Detroit Branch, Woman's National Farm and Garden Association; and 1964, Hill and Dale. The club is a member of the Detroit Garden Clubs of Michigan.

THE HILL AND DALE Garden Club was established in 1957 and has grown to a point where membership is now limited to 100. The club took membership in the Michigan Federation in 1958 under sponsorship of the Farmington Garden Club. Among garden club leaders from other areas at Cobo Hall who attended the ceremonies in which Mrs. Ziska was given the gold cup were Mrs. Paul E. Machuga of East Detroit, a member of the East Detroit Branch of W.N.F.G.A., and Mrs. Frederick C. Mueller, 4360 Westbrook, Detroit, a member of the Garden Study Club of

## Girl Scout News

Troop No. 175 spent a snowy weekend camping with Mrs. and Mrs. James L. Hill of 32028 Bonnet Hill, Farmington; and Steve B. Page, son of Mr. and Mrs. James W. Page of 25385 Castlereigh, Farmington, were two of 79 Adrian College men to pledge a social fraternity during formal rush, which ended on Saturday, February 20.

In December, the troop made cookies for the Plymouth State Training Home. The following girls have completed a training course for Program Aide: Bonnie Brees, Barb Allen, Karen Lovett, Pam Sheld, and Judy Gleason and Gail Kittle, Barb Allen, Bonnie Brees, Sharon Vincent and Karen Burns have completed their course for International Aide. They have been helping Brown, Junior, and Cadette troops.

## Two Local Men Join Fraternity

Peter James Hill, son of Mr. and Mrs. James L. Hill of 32028 Bonnet Hill, Farmington; and Steve B. Page, son of Mr. and Mrs. James W. Page of 25385 Castlereigh, Farmington, were two of 79 Adrian College men to pledge a social fraternity during formal rush, which ended on Saturday, February 20.

They pledged Theta Chi, which is one of five fraternities on the campus. At Adrian, approximately 35 per cent of the men affiliate themselves with fraternities, says R. Cody Meadows, Dean of Men.

## Local Alma College Coed on Dean's List

Miss Linda Bliss, Alma College sophomore, daughter of Mr. and Mrs. Harold S. Bliss, 2201 Grand Duke Dr., Farmington, has earned a position on the Alma College Dean's List for the first semester of the college year, according to an announcement by Dr. William B. Boyd, Dean of the Alma College faculty. In order to be placed on the Dean's List, a student must achieve a 3.50 or a B-plus average.

## Shiawassee Students Hear Nature Lecture

Students at Shiawassee Elementary School heard a lecture entitled "Homes of Animals" on Tuesday, March 9. Lee Curtis, naturalist for the Huron-Clinton Metropolitan Authority, was the guest speaker.

The appointment was requested by Ronald Jackson, principal at the school.

The Huron-Clinton Metropolitan Authority is a five-county park and parkway agency serving Livingston, Macomb, Oakland, Washtenaw and Wayne counties. One of its key attractions is the Nature Center at Kensington Metropolitan Park near Milford.

## Roberts Blasts Rival's 'Soak Suburbs' Tax

In a blistering indictment of his Democratic opponent in the 14th Senatorial District race, former Republican State Senator Farrell E. Roberts informed audiences throughout the district this week that they were faced with a heavier burden of income tax than most people would conceive.

In explaining the differential in his view and that of his Democratic opponent, Roberts pointed out that if Michigan were to have an income tax, he was solidly in favor of a flat tax assessment.

Should his Democratic opponent be elected, Roberts said, residents of this district would find themselves faced with a senatorial representative who has openly gone on record favoring a graduated income tax.

Senator Roberts pointed out that since the areas encompassed in the 14th District are among the highest income groups in the state, the graduated income tax as proposed by his opponent, would force residents to pay far more than they would under the flat tax basis.

Senator Roberts cited actual family per capita income from the 1962 Census showing the average family income in the areas covered by this Senatorial district. "Facts cannot be denied," said Roberts, "and anyone voting to send a dedicated graduated income tax candidate to Lansing is only asking the State of Michigan to take more hundred dollars out of their pockets in this day of high-cost living."

"My years of service in both the Legislature and the Senate and my experience and accomplishments, should be equally as interesting to members of both parties," Roberts said.

"Records of my years of service prove my ability and willingness to be of service in or on any issue which has been in the best interest for the areas I served, regardless, many times, of party affiliation: As my record will show, I supported both the Swanson and Bonner tax reform programs," Roberts concluded.

Progress at non-profit Goodwill Industries of Greater Detroit is indicated by a "new look" in its rehabilitation services—a "stock" for jobs in competitive industry for handicapped clients who have received evaluation, training and employment in the Goodwill plant. One hundred and seventy-three persons were placed in such jobs in 1964 by Goodwill's Placement Department.
