FHS Baseball Team Held to Indoor Drills

Falcon baseballers are in want of outdoor practice but the football weather has kept practice indoors and thus game preparation has been limited. After four weeks of practice a look at the calendar reveals that the Falcon 9 will start their '65 season this Tuesday at Royal Oak Kimball. Another glance shows that Farmington is slated against North Farmington a week from today.

The team has not been able to get in very many links with the stick because of the mishap to the team's batting practice pitcher, Dudley is getting his "soup bone" greased. The probable starting lineup for Tuesday's game is as follows:

Sets Record In Pole Vault

Michael McDonough, of 30513 Springfield in Farmington, set a new record in pole vault competition in the Huron Relays a week ago last Friday. He hurled himself over the bar at 13-feet-6 using a fiberglass pole.

His effort eclipsed the Huron Relays record of 13-feet-5 1/2 by John Little of Mansfield, Mass. Ernest Verlag, of Hudsonville United Club, holds the state record of 13-feet-6, but McDonough's performance would not be recognized, since state marks must be set in state meets.

Baseball Signup Set Saturday

On April 10 from 9 a.m. to 12:30 p.m. at the Farmington Junior High School the second annual registration for boys 8-16 years of age desiring to play "T" Ball, Little League Pony, or Soft will take place. Donations are \$7 per boy or \$10 per family of boys. Any boy who did not play last year, must bring his Birth Certificate to be able to register. Boys unable to register at this time may do so by calling Mr. Charles Kupferschmidt at 478-2102.

FHS Thincads Get Shut Out

The Falcon track team was shut out at the Spartan Relays last Saturday, making it the second weekend in a row that the squad has come home scoreless. Once again, however, Coach Kennedy received some sterling individual performances to brighten the outlook for the outdoor season.

Ben Shortt pushed the school pole vault record, which he set last week, up another six inches to 12' even, and took sixth place in the competition. Chip Terry, leading off in the two mile relay, turned in a time of 2:05.8, the best achieved by a Farmington half miler this spring. Randy Taggart ran the third leg of the relay and was clocked in 2:09.

FHS to Stage Play 2 Nights

William Feucht, producer of the 1965 Farmington High School Broadway musical, "Once Upon A Time In The West," announced this week that the famed TV production will be put on two nights instead of the one as formerly planned. The play is now scheduled to be put on at the Farmington Junior-High School on Friday, April 30, as well as Saturday, April 3, 1965. Feucht stated that advanced ticket sales necessitated the extension of the play to two nights, as the production staff was most desirous that no one be disappointed by being unable to secure tickets for the performance.

Mr. Feucht pointed out that so much interest has been shown in the progress of the play and that ticket sales have been so good, that the decision to offer the production two nights instead of one came as a natural outgrowth of the increasing enthusiasm over the play. He pointed out that the reserved seats for the Saturday night performance are sold and that one hundred fifty reserved seats will now be available for the Friday evening performance.

Mr. Lee Peel, director of the play, stated he was pleased with the way the cast is developing and noted that rehearsals are moving ahead on schedule. Tickets may be purchased at Welsh's House of Music, or by calling Farmington 478-2102. According to Mr. Feucht, the one hundred person company involved in putting on the production is hoping for a full house for each night of the performance when the curtain goes up at 8 p.m.

Girl Scout News

Junior Girl Scout Troop 761 Neighborhood has completed in the North Farmington work on their service project with a trip to the Occupational Therapy Unit of the Pontiac State Hospital last week. During the month of March, the girls made gay posters of Easter egg trees and bunnies and styrofoam bunnies to be used as decorations in the hallways of the hospital. Material which was donated to the troop was cut by the girls into tote bags and then given to the hospital for them to complete. The girls also collected items such as empty deodorant bottles, old nylon hose, old jewelry, etc. which they then donated to the hospital for therapy.

Falcon Tennis Squad Outlook For 1965 Appears Optimistic

Warner weather heralds, among other things of romantic nature, the opening of the 1965 Farmington High School tennis season. FHS Coach Gerald Potter appraises this year's team thusly: "We stand a good chance of winning the league this year because of our returning lettermen." The opener is next Monday, April 12, against Royal Oak Kimball. Positions have been established, and leading the field of approximately 15 FHS netmen is senior Gary Arnold. Number two man and captain is Dick Smith, senior.

NF Gymnasts Perform Well At State Meet

North Farmington performed well in the state meet March 20, and finished a respectable fifth in team standings. The Raiders went out for second place as other teams, who they previously had beaten, turned the tables on our gymnasts. Ann Arbor High School was the state champion in gymnastics followed by Ionia, Portage, St. Clair, North Farmington, and Hillsdale. Ann Arbor succeeded in having its gymnasts become individual state champions in 6 out of the 9 events held. Don Portman of Ann Arbor was state champion in 3 events, all-around performer, free exercise, and the long horse. Teammate George Hunzicker successfully defended his state championship on the trampoline but his bad ankle did not permit him to perform in free exercise or tumbling as his teammates in those events. Stu Nelson was first on the parallel bars from Ann Arbor and John Walton of Ann Arbor was first in tumbling.
