Bill and Helen Weightman had a delightful drive to the upper peninsula leaving here Friday morning and returning last Thursday. The countryside was very beautiful.

Everett and Alice Billis left here May 17 and drove to Franklin, N.C. Al and Alice Griggs, Old Franklin, Michigan, friends whom many of you remember, now live there. Mt. Laurel was in its prime making every drive beautiful. They did drive over to Tryon one day to see the Weavers.

The high point of the trip was to find a very fine ruby, one they feel sure will polish out to a beautiful three-quarter carat stone. On their return trip they stopped in two places in Ohio to visit friends in each city reaching home May 28.

THE SHERIFFS home is sold. June Manos was brought out to see it, fell in love with it, brought her husband, Paul, out that evening, he shared her enthusiasm so they are making it theirs. The Manoses have three children: one is married, a son is returning shortly from Army duty, David is 12 years old and looks forward to being here. We wish to extend a very warm welcome to them.

George and Ethel can now go ahead and build a home on the property they bought in Boca Raton, Florida. We shall miss them here.

Last week, Tuesday, Angie Seyd had a dinner party for 18 neighbors and friends to celebrate Betty Mereshak's graduation from college. Betty went over expecting the small sewing circle group of former days to be gathered there, not a formal dinner for 18. Be

sure to notice the graduation picture and account of it in this issue of the paper as written by Betty's daughter.

DENISE SEAY left Tuesday for Lansing where she will take two accelerated summer courses. David is working at the Franklin House. Little Jimmy celebrated his first birthday on June 10. When his birthday cake was set in front of him his eyes grew very big and two little hands went right into it. Norm starts his summer square dance calling Mondays at Northland and Tuesdays in Ferndale. A busy, busy family!

Philo and Agnes Wright expect their son, Jim, with his wife, Ellen, and their two girls to arrive tomorrow from Olean, N.Y. Jim will have to return to work after a week here. In that time their older girl, Jane, will celebrate her 12th birthday July 1. Agnes will gather the family for that occasion. July 5 Ellen and the two girls will fly to Wassau, Wisconsin where they will spend two weeks visiting a sister of Ellen's.

STANLEY Party, held in the Neighborhood Sunday School room Wednesday morning and given as a Sunday School benefit, proved to be a pleasant as well as profitable get-together of neighbors. Doughnuts and coffee-cake were served with coffee.

A fall from a bicycle resulted in a painful foot injury for six year old Donna, daughter of Mr. and Mrs. Robert Furrow, Shadyside Ave.
