Fete Boys State Representatives
The nine representatives from the Farmington area attending the Wolverine Boys State this summer and their parents were the honored guests of the Groves-Walker American Legion Post and its Auxiliary unit last Thursday evening.
Approximately 80 legion and auxiliary members and their guests enjoyed a buffet supper prepared by the women.
Speakers were Harry E. Sisson of Clawson, 18th District Wolverine Boys State Chairman, Charles Larson, local post historian and chairman of the Boys State committee here, and Trena Quinn, president of the Auxiliary who spoke on the sponsorship of girls, to Girls State.
The buffet supper and joint meeting was reported so successful that plans for a similar meeting on "Initiation Night," November 11, are now being planned. Junior Vice Commander Jack Alexander, head of the entertainment committee said. Plans are also being made for another Thanksgiving party sometime in November.

Christian Science Sunday Topic Announced
"Ard Sin, Disease, and Death Reel!" will be the subject of the Lesson-Sermon at Christian Science Services this Sunday.
Readings from the King James Version of the Bible will include the following from Psalms (67:1, 2): "God be merciful unto us, and bless us; and cause his face to shine upon us: That thy way may be known upon earth, thy saving health among all nations."
Correlative Passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will also be read. "Instead of God sending sickness and death, the deceiver of them, and brings to light immortality... God does not cause man to sin, to be sick, or to die."

WACO, TEXAS, FARM AND LABOR JOURNAL: "As organized labor we will continue to work with the system of free enterprise. That system is as dear to us as anyone. There could be no free labor with free capital. Collective bargaining would be meaningless in a government-dominated economy. The right of business to a fair return is basic to the American system. Equally basic is the right of labor to a fair wage."

YOUR CHILD AND PROCRUSTES
Procrustes is a mythological giant who forced strangers to fit his bed. If they were too long their legs were lopped off. If they were too short, their legs were stretched.
Most religions try to fit our children into such pre-determined molds. The child's personality—his mind, his "soul"—is trimmed, stretched, bent and twisted until it accepts creed and dogma.
Universalism teaches that what a person IS is more important than what he professes; Universalism has no creed, no dogma.
Your Child Can GROW In Universalism
