

# West Point Park News

Miss L. A. Ault GR. 4-4294

Mrs. Emerson Ault of Mayfield Avenue entered Mt. Carmel Hospital Friday afternoon for major surgery.

Descendants of John and Rose Ault held a reunion in the West Point Park community over the October 5 weekend. About 70, all but 22 of whom reside in this area.

Rev. and Mrs. Lester E. Ault from Washington, Pennsylvania, and Mrs. Thomas Ault from Chardon, Ohio, arrived on Saturday to take part in the reunion and were guests of Ault families in this immediate locality.

A happy get-together was held in the Clinton Ault home on Mayfield Avenue Saturday evening. On Sunday afternoon a potluck dinner preceded by devotions in charge of Rev. Lester Ault, featured a largely attended celebration conducted in Neighborhood Church.

Illness in the community cut down the attendance, but the regular meeting of the Sunshine Sisters was held in Neighborhood Church Wednesday afternoon, October 9.

Halloween plans were made and prayers were offered for the sick. The next Sunshine meeting is to be held in Neighborhood Church at 2 p.m. Wednesday, October 23. "Halloween Treats" will be the topic.

Mrs. Clarence Bawman gave another "Sandy" Party at her home on Gill Road last Wednesday evening. Relatives and friends enjoyed the occasion.

Dale Graham, youngest son of the Louis Grahams, Mayfield Ave., left Tuesday morning on a vacation trip to California.

Mr. and Mrs. Walter Dixon of Breton Road have returned home after several days of sightseeing in Cadillac and vicinity.

Freda Ault, Norfolk Avenue, spent the October 12 weekend with relatives near Cleveland.

Cecil Willet, Mayfield Avenue, was bow and arrow hunting in northern Michigan during the October 5 weekend. During the October 5 weekend.

Need A Freezer  
Frozen foods need a freezer for long time storage, says MSU Marketing Information Agent, Mrs. Josephine Lawler. This means a temperature of zero or lower.

The ice cube compartment in the refrigerator is not zero, but is usually 12 to 15 degrees above. This means you can store frozen foods in the ice cube compartment for short time only, since the quality of frozen food changes when allowed to get above zero. If you keep frozen foods in the ice cube compartment within one week, or better yet within 3 or 4 days.

ber 12 weekend Mrs. Willet accompanied him.

Mr. and Mrs. Albert Owen, who have spent the last month and more visiting with relatives at Jamestown, Pennsylvania, are expected to return this week to their home on Mayfield Avenue.

Mrs. M. E. Ault of Mayfield Avenue attended a Shriner's meeting at Grand Rapids Thursday.

Clarence S. Roberts of Mayfield Avenue is for ten days or more a patient in Redford Community Hospital and may undergo surgery.

At Florence Crittenton Hospital, Detroit, Mrs. Irene Tallman, formerly of Mayfield Avenue, but now of Wakenodon Avenue, underwent surgery Tuesday, October 8.

Wedding rings are placed on the third finger of the left hand because of an old Egyptian belief that a nerve ran from that finger to the heart.

Mrs. Austin Ault, Brentwood Avenue, was a patient under observation at Redford Community Hospital most of this past week.

## In Charge of Barbeque For Marygrove Girls

The Marygrove College campus, in northwest Detroit, took on a western look last night, Wednesday, as the Dads Club entertained their daughters at an old fashioned barbeque.

In charge of the arrangements for the evening was Joseph McHugh, of 11 Mile Road. He was assisted by Leon Jagrowski, Ten Mile Road.

Fathers and daughters joined in on the community singing and each of the four college classes provided a bit of the entertainment.

Wedding rings are placed on the third finger of the left hand because of an old Egyptian belief that a nerve ran from that finger to the heart.

## Seek Flower Bulbs For Area Hospital

Volunteers at Northville State Hospital are anxious to finish helping the patients do their fall planting around the various buildings at the hospital.

They have advised that they could use all types of spring-flowering bulbs, if people in the community have any to donate.

Bulbs can be left at the hospital or with some of the volunteers in this area. The following Gray Ladies in this area may be contacted if anyone wishes to donate bulbs to this worthwhile project:

Mrs. Lola Desmarreux, 23518 Shawansee; Mrs. Ethel Gain, 23522 Longacre; Mrs. Earl Lathrup, 23607 Longacre.

## Needs Help, Ad Gets Six Wanting Work

A subscriber living in the vicinity of 10 Mile and Middlebelt needed a cleaning lady for Thursday, so inserted an Enterprise classified ad last week.

She got six quick responses and was able to choose one to her liking immediately.

Classified ads in The Enterprise are cheap, and in most instances get fast results. Many subscribers have looked around their homes for unused but good items, and found they could dispose of them easily.

Potatoes will get better from now on, especially for baking and French - frying. According to Consumer Marketing Information Agents, late season potatoes are richer in starch, lower in moisture, best for most types of cooking. The potato crop is large again this year.

## Rolls With the Punch

Framing lumber gives strength, rigidity and form to the modern house. This framework when properly tied together with modern techniques, has terrific resistance to sudden impact caused by severe winds, hurricanes, and earthquakes.
