YAKETY! YAKETY! YAK!

Seems like everyone has somethin' to yak about these days and it's mostly about whose feelin' puney in their family. We feel kindda stinkin' ourselves—how are you? One thing fer surenothin' much sounds good to eat but we'll do the best we can. First thing we think of fer somethin' hot is a bowl of home made vegetable soup. We have some really nice short ribs fer 29c a lb. We sortta like hot muffins with soup—silly—aint it? Anyhow if you'd like to try it there's Shedds muffin mix at 2 boxes fer 25c. The price is right! Then there's some nice lean stew beef fer 78c a lb. Does that sound good? The easiest way to git off the hook with not much cookin' is have a Big beef roast one day, slice it cold the next, then hash. You'can git U.S.D.A. choice or prime pot roastsfer 49c a lb. Caula tsick them in the oven too with dressin' or between a couple potatoes. Yuh can always keep the little guys happy with peanut butter sandwiches and a 21b jar of Shedds is only 79c. They tell us we should drink a lotta juice these days and fer a lot of it grab off 3 bottles of Lady Betty pruhe juice fer 89c. Now if you'd say to the family what'll we have fer supper that's easy you know they'll all yell hamburgers so why not when 3 lbs of fresh ground fresh beef is jest \$1.23???
