

Four to Take Aptitude Test

The seniors of Clarenceville High School were unable to take the Scholarship Qualification Test held on October 22, due to a mix-up in the mail. They have therefore been given a chance to take the test on December 7.

The seniors taking this examination will be Jim Lamb, Cynthia Beerbohm, Joe Benstein, and Gretchen Van Camp.

The test is to be held at Redford High School.

The S.A.T. test is designed to indicate the likelihood of a student's success in college. It has six half-hour sections and is arranged in approximate order from easy to difficult questions.
