

A COMPLETE rebuilding job was necessary this year for varsity basketball coach Bob Burich and his team. Dave Catherman, center, and Tom Grimshaw, left, and Ed Fulton, right, are the only returning lettermen. The other boys shown are: Bill Wright, Dan MacLean, Horace Waters, and Dave Catherman. Front row, left to right, are: Tom Grimshaw, Al LeSage, Harvey Chapman and Ed Fulton. Coach Burich indicated that his starting lineup would probably consist of Catherman, LeSage, Chapman, Machan and Fulton. team captain. He indicated, however, that all berths on the varsity were still open and that other boys showing well might be moved up at any time.

Plenty of Basketball Activity Scheduled Here This Winter

Farmington basketball enthusiasts, young and old alike, will have an opportunity to view plenty of home activity this year. The Farmington school system will have six teams competing in inter-area cage play this winter. They will also play host to communities in the area for a Christmas holiday basketball tournament December 26, 27 and 30. Athletic Director Jack Cottan stated: State Regional Basketball Tournaments will also be played here again this year on March 7 and 8. Farmington senior and junior high teams will have a total of 35 games scheduled at home. Another

Berkley, S'field Named League Teams to Watch

Berkley and Southfield are being picked as the teams to watch in the Inter-Lakes Conference this season by area basketball enthusiasts as teams in the loop prepare to swing into league action next week. With only one letter winner back, Coach Bob Burich will have to bring in his charges a long way to prove any big threat in the league. Dave Catherman is the only returning letterman on the Farmington varsity squad. A lack of height as well as inexperienced shooters will be two big weaknesses on the Falcon squad this year. Only three of the eight players which Coach Burich is grooming to see any amount of action this year stand over 6 foot tall and all of these edge only slightly over that mark. Coach Bill Wright, Dan Machan and Horace Waters just edge over it.

S.E. Michigan Ski Area to Open

A new facility for skiing enthusiasts in southeastern Michigan will be opened this winter in the highest summit in Michigan south of the Bay City line is located on the site. Facilities at the site will include nine runs, four tows, a skating area and spacious guest house, snack bar and equipment shop. There will be shops, trails and facilities for experts as well as special areas for beginners, officials said.

Wrestling as a sport is coming into its own at Farmington. Approximately 40 boys are now working out with the wrestling team at Farmington High in preparation for their opening match of a 16 meet schedule to be followed by State Regionals and State Finals.

Wins Varsity Letter At Bowdoin College

Nicholas G. Spicer of Farmington has been named as one of the eight varsity cross-country letter winners at the Bowdoin College (Brunswick, Maine) team. A sophomore at Bowdoin, Spicer along with four other sophomore varsity letter winners is being honored by Coach Frank Sabatani along with a returning junior letterman as the nucleus for a really strong distance team next year.

Among the Tuaregs of the Sahara wastes, men not women, veil their faces. Fearless and fearless, these nomads of the blue veil believe that hard manual labor dishonors them. One of their sayings is "Shame enters with the plow."

FUN is like insurance—the older you get, the more it costs.
