

Our Mistake
A typographical error in last week's paper caused some concern at the township treasurer's office last week.
The item an appeal was made to taxpayers in the township who had not yet received a bill for school and county taxes to contact the township treasurer's office at once. The only hitch was that, as a result of the typographical error, it said all persons not having received their 1947 bills should come in. It should have read taxpayers not having received their 1957 tax bills instead.
