WANTED Men To Train For Real Estate Appraisers

Age 25 to 60. Must be residents of this county two or more years. Competent appraisers receive S350 to S450 per month. Farm experience valuable. Write NREATS, care Farmington Enter-prise, 23623 Farmington Rd., Farmington, Mich.

... WE Need 'em Fast!

THE SCENE. Is the traffic department of any of the time is 4:00 P.M. on any day of the week. The traffic manager is talking long distance to a supplier in another state about some parts needed for production.

"Send 'em by truck," he says, as he prepares to hang up, "we need 'em fast!"
He knows from experience that motor transport is the fastest link between shipping and receiving. He knows he can depend on it. In fact, he and thousands of his fellow traffic managers have been the men most responsible for the rapid growth of motor transport. Once they experienced the efficiency and speed of trucks, there was no satisfying them with anything less—and today their companies could not operate successfully without truck transport!

A Gas Clothes Dryer Saves Tons of Lifting, Saves Miles of Walking, Cuts Ironing Time, Dries Clothes Faster

A Gas Clothes Dryer in the home laundry means an end to the tiresome task of lugging a heavy laundry basket out to the clothes lines. Never again will you carry 2 to 3 tons of wash a year. And you'll save up to 17 miles of walking every year, too. Besides the effort you'll conserve, a aas dryer will save time and do a better, cleaner job of drying your clothes.

To Drill Test Water Well At Proposed School Site

AL F roposed School Sife
Looking ahead to the problem of
supplying water for a proposed
new elementary school in Section
lif in the downship, the School
Board decided at its last regular
meeting that a test well should be
drilled there immediately to determine whether enough water will
be available on the site for school
needs.

needs.

An offer by the Thómpson-Brown
Development Company to permit
the running of a water line from
their water source to the school
site was discussed at some length.
It was determined that such a prociet would be quite costly for the
School District and should be
avoided if an ample water supply can be found on or closer to the
school site.

Northwestern YMCA To Start Radio Class

Members and potential members of the Northwestern YMCA who are radio enthusiasts, "hams" or interested in electronics or in learning the radio code are asked to contact R. Eddy at KEnwood 3-

It was indicated that L.H. Baker REGGE, is planning to start a radio club and will teach the radio code as well as all information for one wishing to become a radio
