### Four Students Vie For Opportunity To Go Abroad on Exchange Program

Four juniors at Clarenceville High School are vying for the opportunity to spend the summer in a foreign country. They are Ruth Rappelle, Sharon Edgar, Sandy Croft and Bob Goudie.

The students are candidates for the American Field Service foreign exchange program. Under the program, the winner will live and tour in a foreign country during the forthcoming summer months.

Qualifications for the A.F.S. are that the students must be a Junior, have two years of a foreign language, be sixteen years of age or older, a United States citizen and have excellent health.

Some of the suggested qualifications are: high scholastic ability, outgoing personality and the ability to adjust to different people and situations. American Field Service students must realize the importance of the foreign exchange program and have a real desire to participate in it.

Clarenceville has participated to the A.F.S. during the past two years. During the 1956-57 school year, Edna Dossens from Milan, Italy, attended C.H.S. This year, Clarenceville has Wendy Spencer from Liverpool, England, as a member of the senior class.

Clarenceville's foreign exchange student last summer was Gretchen Van Camp. Gretchen spent the summer in Germany. She lived with a German family in Lebeck.

Tuesday, the four students were interviewed by members of the A.F.S. committee. Included in the committee are various people who are connected with the American Field Service in different manners.

Members of the committee are: Mr. Millard, principal; Mrs. Munsey, girls' counselor; Mrs. Van Camp; Mrs. Stevenson; Gretchen Van Camp; and Jim Lamb, Student Council President.

### Set Up Chess Scoring System

The Clarenceville Chess Club active for the past month during the current school year, recently set up a scoring system so that a record of game winners could be kept.

At the beginning of this season, each member of the club was given one thousand points. Members then pair off for games and at the conclusion, the winner receives ten percent of his opponent's remaining points. Therefore the winner can earn a different amount of points each time depending on the balance of points left in the loser's record.

The champion with the greatest number of points at the end of the school year will have his name engraved on the Chess Club trophy.

The Chess Club welcomes new members, especially girls, at this time. The club presently has only three girls in the club and twelve boys. They play two male sponsors.

Standings as of January 14, were in this order: Bob Melvin, Jim Squair, John Strellien, Alvin Wilson, Bob Allen, Ann Gault, Jeff Hawkins, Paul Fields, Carol Peterson, Paul Stevenson, Kenneth Stitz, Donna Rice, Bob Goudie, Randy Caulfield, D. C. Larson, Joe Benstein, Vie Bundgaard.

**4 Enter Youth Leader Contest**

Good leadership, honesty, perseverance, and reputation are the background for selection of the four students who will enter the "Youth Leadership Contest." This contest is sponsored by the Fraternal Order of Elks.

Mary Snell, Sharon Helts, Sharon Edgar, and Pat Sullivan are the four students chosen as the outstanding leaders in their class.

The contest requires each student to fill out an application and to write a 200 word essay on achievements made by the applicant. Three letters of recommendations and a letter from the subordinate lodge member in the vicinity of the applicant are also included.

Jim Lamb entered this contest last year and won a \$25 bond.

### Father-Daughter Banquet Held

Tuesday, January 14, Clarenceville's F.H.S. held their annual Father-Daughter Banquet.

F.H.A. members and their spouses, Miss Lee and Mrs. Gallagher, prepared the meal.

Approximately fifty people attended the annual banquet.

Entertainment was furnished by members of the club. Barbara Donnelly was featured in a tap dance, Virginia Jacobs, Sandy Coleman, Connie Braseth and Sandy Claus performed and Connie Braseth and Sandy Claus sang a duet.

Future activities of the F.H.A. includes a trip to the Ice Revue in February.

Mrs. Gallagher will be leaving next semester and Miss Lee will take over as sponsor.

### Girls Start Work On Trampoline

Mrs. Ya Senka, girls' athletic instructor at Clarenceville High School, has started work on the trampoline with her ninth grade gym classes. This is the first year that the trampoline is in use at C.H.S.

The program, which is designed for beginners, consists of 12 events which the girls must complete all 14 events. The girls are: Judy Bailey, Beth Wilson, Doris Robbins, Margaret Barnstable, Sharon Conright, Vivian Karr, Pat Louck, and Johanna Lesiewicz.

Mrs. Ya Senka has reported that the response to the trampoline is excellent.

The first event is the bounce, knee drop, seat drop, hands and knee, half turn, full turn, fall, and the alternating feet. The rest of the events are a combination of the above.

Although the trampoline events have just started, there are eight girls who have completed all 14 events. The girls are: Judy Bailey, Beth Wilson, Doris Robbins, Margaret Barnstable, Sharon Conright, Vivian Karr, Pat Louck, and Johanna Lesiewicz.
