"DISEASES ARE THE
PENALTIES WE PAY
FOR OUR NEGLIGENCE OF
THE MEANS OF
HEALTH!"

Your body is a wonderful
machine that operates perfect-
ly until some trouble throws
its working parts out of balance.
Then it needs help. Neglecting
to give your body the best help
possible can cause a serious
disease to develop.

Why pay future penalties by
present neglect. At the first
sign of any illness go to your
physician for immediate help.
He is the expert who can tell
you what to do and prescribe
any medication you may need.
We will be glad to follow his
instructions.

Jim Davis who is Chief of Operations of the Woodcreek Club, has been made an honorary member of the Proprietor's Club.

At the meeting Wednesday night a name was drawn for a hat. The lucky winner to be entitled to a trip for two to Bermuda, Nassau, Cuba, Mexico or Florida, and whose name was drawn but James Davis.

Engene and Jim have already read the interesting article on Nassau in the February National Geographic; they will do lots more reading before making the final decision where to go for a marvelous trip.

These boys gave up their own Valentine school parties to help with a party for this group.
