

The all-time record for tenure in Congress was recently established by Senator Hayden of Arizona. Now 80, he has seen 47 consecutive years of service, beginning in 1912 when Arizona became a state.

According to the Tax Foundation, for every billion dollars cut from the federal budget the average family of four could keep \$19 which otherwise would go to Washington.

Kindergarteners Honor Teacher

Last Wednesday kindergarteners in Mrs. Stone's morning class at Bond School surprised her by honoring her with "Be Nice-To Mrs. Stone Day."

At the beginning of class, David Shiffer, acting as master of ceremonies, informed her of their plans to be extra nice to her on that day. He pinned a corsage on her and presented her with a gift from the class. Nancy Cosper then presented her with a large card which she herself decorated saying in large print "Mrs. Stone - We Love You" and signed "Your Kindergarteners. Laurie Conn" and then presented her with a dozen daffodils from the class. The class then told her why, and how much they like her. They did what they thought would make her day enjoyable.

Ricky Radliff, Margie Cunningham, Andre' Cloutier and David Shiffer brought decorated cupcakes for refreshments which were enjoyed at snack time.
