WORK IS NOW well underway on the addition to be made at the Farmington Senior High on Shilohvase. Footings and other underground work is nearing completion and walls will be going up shortly. The new wing being added will provide three mathematics rooms, two biology and two drafting rooms, a science room and a general classroom as well as an audio-visual aids room and a teachers' lounge. The industrial arts division at the school will also be nearly doubled, permitting the setting up of special departments for auto mechanics, machine shop work, wood and metal work and arts and crafts.

Off to Hawaii
Mr. and Mrs. Maurice Tyghem and children of 2825 Millbrook Drive, Farmington, set sail Monday from Los Angeles aboard the luxury liner "Fairline" for a vacation in Hawaii. Mr. Tyghem is president of the Tyghem Tool Company.

Douglas J. Roberts of Farmington was among a group of 27 Oakland County men enlisting in the Navy during March at the U. S. Navy Recruiting Sub-station in Pontiac.

To Attend School Principals' Meet

Elementary grade school principals from the various grade schools in the Farmington district will be among more than 500 principals in attendance at a conference next Thursday and Friday at Michigan State University to evaluate the grade school science program as well as take up many other topics at workshop sessions.

Farmington has been represented at these annual Elementary School Principals' Conferences for many years, it was pointed out.

Among the various speakers at the conference will be three who will discuss science education: Herbert Rudman of Michigan State, A. Edith Mance of Western Michigan University and William C. Forbes, science consultant for the Oakland County schools system.

TO AN OLDER SOMEONE WHO'S A BIT DISMAYED
So you see some wrinkles there! Dear, to me your face Only is the lovelier With a touch of lace. There's such beauty in the lines, Delicately styled— And they make such fine designs Of the years you've smiled!

—Carl Helm

Wandering Thru Woodbine

LOIS HOELSCHER GR. 4-0460

Bob and June Ely had a double celebration on Easter Sunday. June's mother, Mrs. George Wright, and her sister, Mrs. Jerry Slink, were invited for a surprise birthday party, in honor of both their birthdays. Also attending the party was June's brother, Jerry Wright, who is home from school for Easter vacation and Mr. and Mrs. Joseph Wright.

Mr. and Mrs. Sam Begian went with the First Methodist Church group to the Scandinavian Church symphony at the Masonic Temple last week-end. After the symphony the Young Couples Club was served refreshments and danced in the Crystal Ballroom.

The returns of the Woodbine Water Commission election were announced last Tuesday evening, and we would like to congratulate our two new Commissioners, Mr. Dave Wrigley and Mr. Bob Ely. Mrs. Betty Miller and Mrs. Mary Williamson, who counted the votes, report that only 58 Woodbines voted. This is a better percentage than at previous elections, but it makes you wonder whether the other 140 possible voters were! The term of office for our Commissioners is three years, and the terms were arranged so that we must elect two new officers each year. At present the other three officers of the Water Commission are Chief Cook and Bottle Washer, Mr. Gene Miller, Mr. Bud Radke and Mr. Wayne Barrett. We would also like to extend our thanks to the ladies who helped out at the voting booths. These were Betty Miller, Eleanor Radke, Katherine Harris, Madeline Erickson, Nell Donovan, Mary Chellman, Maureen Godley and Mary Williamson.

Morley and Maureen Godley had quite a surprise last week when Morley had to go to the hospital unexpectedly to have his appendix removed. Morley was operated on Thursday morning at a Detroit Osteopathic Hospital and at last report, was doing very nicely and expected home soon.

I made a horrible mistake last week in the column. I said the Woodbine Wing-Ding was scheduled for April 9 instead of May 9. I hope everyone caught it. I'd hate to think anyone went last night and had to have a party all by himself.

Mr. and Mrs. Al Roberts, of Wildwood Trail, along with their four children, Billy, Kenny, Joan and Don visited Mrs. Roberts' parents in New Albany, Kentucky over the week-end.

All sorts of collection campaigns are to begin in the subdivision this week. Gwen Wrigley, chairman of the membership committee, tells us that dues for the Woodbine Improvement Association are due now, and she hopes everyone will co-operate by sending in their dues to her or plan to pay them at the next subdivision meeting. It is important to get your dues in to be able to vote at the subdivision meeting for the election of next year's officers. Send your money to Gwen at 2821 Briar Hill. Plans are also being made to send out notices in regard to collection by the real commission for road chipping. Incidentally, the cost has come down a little earlier this year, last, but two dollars this spring.

The collection will be conducted cause many people tell that we would have received a greater benefit from the chloride if it had been applied about a month sooner.

Jean Frazer came home from bowling in the Our Lady of Sorrows Bowling League holding her right arm as carefully as she would a new born babe. "It seems that Jean's scores were 130, 150 and 180. Pretty good, I'd say," Barbara Prescott, Ann Tomsen, Katherine Harris, and Houee Tamsen; all Woodbines, also bowled in the league with Jean.

The Red Cross First-Aid course at Middlebelt School was completed last Tuesday and quite a few ladies from Woodbine were among the graduates to receive First Aid cards. Maureen Godley, Nell Donovan, Gwen Wrigley, Betty Blome, Madeline Erickson, Betty

CAP to Compete In Plane Contest

Sunday, April 13, the Farmington Squadron of the Civil Air Patrol will, for the first time, compete against the other CAP Squadrons in the Group 11 contest.

The contest is to demonstrate skill in construction, flight and handling of model aircraft by cadets. The event will take place at the Northland Shopping Center from 8:00 a.m. until 4:30 p.m. Instead of the squadron level contest as reported last week Mr. Kline's model airplane engine will be first prize at this contest on Group level. Mr. Kline is owner of the Farmington Hobby Shop.

The Farmington Squadron will be represented by Lt. William Kohler, Blair Kohler, Randy Jordan and Daniel Goodfellow. Lt. Kohler will be in charge. In case of inclement weather the contest will be held either on April 20th or 21st.

Will Seek Re-Election As County Treasurer

Charles A. Sparks, Oakland County treasurer, announced this week that he will be a candidate for re-election to this office in the primary election in August.

"In 1957 we accounted for and disbursed from the Treasurer's Office \$50,938,064.79. This significant amount will call for the same experience as in the past, and is one of the main reasons I feel more than qualified for the office," Sparks stated.

Goodwill Pickup Slated Monday

The next visit of Goodwill Industries pick-up trucks to Farmington area is scheduled for Monday, April 14. Goodwill trucks collect household discards of clothing, shoes, hats, toys most types of furniture and other household discards.

To arrange for a Goodwill Industries truck pickup, call the local Goodwill representative, Lora Ault at GR 4-4294.

"ALL IS NOT GOLD THAT GLISTERS"
(Author's Name Below)

Recently our government found it necessary to take action against certain door-to-door salesmen of vitamins and other medicines. In their eagerness to make a sale, these agents were making claims that were untrue. Their prices were found to be excessive.

Your health is too important to entrust to people of no medical or pharmaceutical knowledge. Physicians and pharmacists consider your welfare more important than immediate profits.

Be safe. Let your physician tell you what to take, and depend on us pharmacists to make certain your vitamins and medicines are of high quality and fairly priced.

YOUR PHYSICIAN CAN PHONE GR. 4-2011 WHEN YOU NEED A MEDICINE

Pick up your prescription if shopping near us. A great many people entrust us with the responsibility of filling their prescriptions. May we compound yours?
