Local Youths Performing With Area Symphony

The Livonia Youth Symphony Band is now completing plans for the presentation of the first concert of the Livonia Youth Symphony Orchestra to be held on Sunday, May 4, at 4 p.m. in the Bentley High School auditorium at 15100 Hubbard Road in Livonia.

Membership in the orchestra is made up of youths from Farmington, Redford Township, Plymouth, Walled Lake, Pontiac and Birmingham.

Farmingtonites playing in the band include Dick Stumbaugh of 22116 Haynes who plays the oboe, Donnie and Mary Ellen McLean of 2830 Rolfe who play the French horn and violin, respectively, and Sandra Finn of 33300 Clairview Court who also plays the French horn.

Walter L. McLean, father of the two girls mentioned above playing in the orchestra, is a member of the symphony band.

William Savola, director of the orchestra, stated that a great deal of enthusiasm is being shown by the youth in rehearsals now being conducted.

Subscribers to "Unfinished Symphony" and "Prokofiev's Peter and the Wolf" have drawn out the exceptional talents of these young musicians, he commented.

Thus far applications have been made by seniors wishing to attend Eastern Michigan College of Education, Wayne State University, Michigan State University, the University of Michigan, Michigan College of Mining and Technology, Ferris Institute, Lawrence Institute of Technology and Highland Park Junior College.

Officials indicated that it was still too early to tell how many applicants would be accepted but expressed confidence that most would be.

Wandering Thru Woodbine

LOIS HOELSCHER GR. 4-0460

Tuesday was the big day for the Brownies of the subdivision Louise Martin and Neena Gendy lead. The group, held a "cook-out" in Louise Martin's yard. Highlight of the "cook-out" was their "pocket stew" Each youngster brought a part of the ingredients in their pockets. One brought an onion, one a carrot, one a potato, and so on. The children also prepared their own "breakfast" of French toast. Tentatively set for June 7.

I UNDERSTAND that the Scout-Rama on April 23-27 is to be a big event in the lives of the Scouts of Woodbine. The show features one of the talented Cub Scouts in singing and dancing, and showing Indian crafts, basket weaving, etc. Many of the boys will be wearing Indian regalia which they have made themselves. Each pack will have a booth displaying their projects of the year. Middle belt pack 109 in which Woodbine boys belong will display the cars that won prizes in the Pinewood Derby.

We are happy to report that two residents of the subdivision have been on the sick list for quite a while are getting back to normal. Kenny Scholer of Wildwood Trail, who had such a serious bout of "serum sickness" as a result of tetanus shots, and who also suffered three broken ribs about the same time, is back to work part time and he is feeling quite a bit better. Linda Wells who has been very ill with hepatitis is also better and she is expected to be back to school this week. Linda is the daughter of Mr. and Mrs. Richard Wells of Briar Hill. We were sorry to hear however, that Yvonne Bunting has sadly passed.

WOODBINERS are busy people. Lesie Ernie Cole of Wildwood Trail has been elected President of the Ford Highland Park Camera Club, sponsored by the Ford Motor Co. for employees. Don Tansien of Wildwood Trail won a transistor radio by guessing bowling scores of the Detroit Bowlerettes. Barbara and Charles Fritz entered their Saturday Night Pinocchio Club. Mr. and Mrs. Don Yaich, Mr. and Mrs. Wm. Carlin and Mr. and Mrs. Chet Orlikowski of Woodbine were all present. Jerry Orlikowski was a darling pink bunny for several days before Easter while he was making deliveries for one of Farmington's florists. Jerry also made a trip to Children's Hospital in his bunny suit the day before Easter. Joyce Tansien entertained sixteen Woodbiners for brush fire on one of the empty lots on Wildwood Trail but the fire department arrived in time to prevent any serious damage.

The Woodbine Water Commission held its quarterly Water Board meeting last week, with its

What's Your Record?

Harold E. West, who has driven over 1,600,000 miles without an accident, has been chosen Michigan's 1957 Driver of the Year!

His amazing total of accident-free miles amounts to an average of more than 5,000 a month during the 27 years he has driven a truck for the Geo. F. Alger Company, large Detroit trucking concern.

Like the 11 other truck drivers who were finalists with him in the annual competition (and the drivers of the thousands of trucks which keep Michigan's homes and factories and shops and farms supplied with the things they need), West makes a professional career of safe driving.

Congratulations, Harold West! Keep up the good work and may your example be an inspiration to Michigan's vast motoring public!

This seemed to be a week of accidents. Sunday Gail Steinmiller was hit on the face by a croquet mallet. She was taken to Redford Clinic for stitches, X-rays and was kept for 48 hours for observation. We are happy to hear from Gail that she is getting along fine.

Last Saturday Darby Shriner went to visit his aunt and while he was there his cousin, Harlan Shriner, put her arm through the front storm door and cut her wrist. Shortly after Karen's home from the hospital Danny was going out the back door and hit his arm through the back storm door so back to the hospital Mr. Shriner had to go and Danny had to have stitches in his upper arm.

Bob Newkirk's sister, Mrs. Gordon Brown, and her daughter, Susan, visited from Buffalo this week. Saturday Mrs. Brown's son, Ron, his wife and children and Mr. and Mrs. Don Cornell and their children were guests for dinner and the evening. Mrs. Brown and Susan returned to Buffalo Sunday.

The Thorpes enjoyed a few days of sightseeing in New York recently. The children—especially enjoyed the first plane ride and of course the Statue of Liberty.

Gail Redwood went to Greenfield Village with her Brownie Troop for the week-end. The girls had a real good time, enjoyed the dormitory at Clinton Inn and their visit around the village.

Ann Prevost, Elaine Hughes' niece, is staying with the Hughes family while her mother is in the hospital. Ann is four years old.

Mr. and Mrs. Earl Clappison of 29420 Greening are now the proud grandparents of an 8 pound 12 ounce baby girl born to Mrs. Patricia Hendrickson on April 1. Patricia is the former Patricia Clappison.

Johnny Clappison is now out of his cast and has a perfect elbow. Billy Clappison, who had an appendicitis operation is now home and doing fine.

Beverly Heliker, Janice Dwyer, Patricia Jean, Jackie Carriueam and Joan Bielech all attended a pajama party at Kay Weber's Friday night. They had pop-corn and roasted marshmallows in the evening as well as playing ping pong. Fancakes, bacon and eggs were enjoyed for breakfast.

Jay Laskey and Earl Gates spent Sunday afternoon with the Heliker family of 28139 Rolfe.

Gentle words, quiet words, are after all the most powerful words. They are more convincing, more compelling, more prevailing.
