Wandering Thru Woodbine

LOIS HOELSCHER GR. 4-0460

According to reports, ticket sales for the Woodbine Wing - Ding are going fairly well. The committee for the dance is planning on having at least 250 couples attend. The proceeds from the dance will go toward building new entrances for the subdivision which will be a benefit to all. By the way, if anyone has some good ideas for the entrances it is suggested that you draw up a little diagram and send it to Frank Reeder. The committee reports it will be glad to receive any suggestions.

Mrs. Barbara Fritz was guest of honor at a surprise baby shower last Friday night, and I guess she was really surprised! The shower was given by Barbara's sister, Mrs. Jean Lucas, and her cousin, Mrs. Charlotte Goik, at her sister's home on Edmonton Road. Betty Miller, Julie Orlikowski, Jean Frazer, Jean Nagel, Margo Theilemann, Eleanor Radke, and June Ely attended. The ladies spent the evening playing games and they enjoyed a lunch later.

The roads are in good shape at present, thanks to scraping and new gravel. However, we noticed an increased amount of fast driving lately. Please try to slow down and leave the gravel and dust on the road.

The Cub Scouts of Den 10 held a cook - out in Den Mother Louise Martin's back yard last week. The boys helped make the sloppy joes, and toasted marshmallows.

Chuck Fritz is coaching one of the farm teams this year. Don and Mike Miller, John Radke, Chuck Haffey, and Alan Fritz of the sub are all training on a farm system team in hopes of making one of the regular teams next year.

The ninth grade home economics class at Dunckel Junior High were hostesses at a luncheon served to eleven teachers last week. The teachers included several professors, and principals from elementary and high schools. The teachers enjoyed a lunch of chicken a-la-king, vegetable salad, relishes, angel food cake with ice cream and chocolate sauce, and coffee. Susan Kirby and Marilyn Hodges of the subdivision were members of the class that served the lunch.

Two members of the subdivision are on the sick list this week. Al Roberts of Wildwood is quite ill with the mumps, much to his own disgust, and young Kelly Watkins of Wildwood Trail is in Detroit Osteopathic Hospital, with a liver and kidney ailment. Our deepest sympathy is also extended to Mr. and Mrs. Leon Jagrowski of Ten Mile Road on the death of Mr. Jagrowski's father last week.

On the traveling list this week are the Harold Chellman's, who spent a week - end in Chicago. Also on the traveling list were the wheels from Gene Miller's car. Gene parked his car on the road last Tuesday night and woke up to discover he had only two wheels left.

We are going to lose one of the oldest families in the subdivision this spring. The Kenneth Schoolcraft's of Wildwood have sold their house and bought a trailer. They expect to spend several weeks traveling to Arizona and settle down to live there.

Be on the look - out Saturday, May 3rd. Big doings are going on and you won't want to miss it.

Four Freedoms for Farmers. That voice would say:

"Give us more freedom to plant —so that we can run our farms efficiently.

"Give us more freedom to market — so that we can increase our incomes.

"Give us more freedom to meet our competition — so that we can expand our markets.

"Give us more freedom from government interference — so that we may again be independent and self-reliant.

"This nation will never reach its full strength until our farmers have more freedom to plant, to market, to compete and to make their own decisions."
