

BPW to Give Card Party Soon

The Farmington Business and Professional Women's Club will sponsor a card party on Friday evening, May 23, at Farmington Savings and Loan, Ten Mile and Orchard Lake Roads.

Playing will begin at about 8 p.m. The public is invited. Tickets may be obtained from any BPW member or at the door.

Refreshments will be served and prizes awarded.

Chairman of the event is Mildred Corcoran. Members of her committee are Sylvia Anderson, Jessie Habermehl, Edna Tobin and Jean Lynn.

Cville Civic Ass'n To Meet May 15

The next regular meeting of the Clarenceville Civic Improvement Association will be held at the fire hall on Wheeler Street near Grand River, Thursday evening, May 15, at 8 p.m.

There are many interesting items on the agenda for the evening and the public is invited to attend, officials commented. A plea was also made to the Clarenceville school district residents to get out and vote on Monday, May 12.

Services to Have Family Emphasis

A family emphasis will mark Mother's Day at Franklin Community Church, located on the Village Green.

Also known as the Festival of the Christian Home, the day will start at a special family Communion at 7:30 a.m. In this sacramental service there will be no music or sermon, providing a brief high moment for the entire family.

At the regular 10:00 a.m. service infants and children will receive the Sacrament of Baptism. The Rev. Robert J. Seales, minister of the church, will preach on "Fifth Commandment Christians."

shall prepare or cause to be prepared application blanks for such heretofore, which shall contain information regarding present location of building, location to which it is proposed to be moved, information regarding the matters in Sections 7 and 8 and such other matters as the City Manager may deem pertinent.

Section 10 — All applications for a permit hereunder shall be filed with the City Clerk in triplicate, accompanied by a fee of \$20.00, which shall be retained by the city if the permit is issued. If a permit is not issued the city shall retain \$10.00 to cover its expenses of investigation and examination and return the balance to the applicant. The City Clerk shall transmit a copy of such application to the City Manager within 24 hours after receipt of same.

Section 11 — The City Manager shall thereupon cause the City Engineer or the City Building Inspector or both to make such an investigation and examination pertaining to such proposed move as he deems necessary or advisable in order for him to make and complete his report to the City Manager. The applicant shall furnish any and all information to the City Manager, City Engineer or the City Building Inspector which they or any of them may request.

Section 12 — The City Manager shall file a report on any application for a permit with the City Clerk within 15 days after his receipt thereof, and the City Clerk shall present the same to the Council of the city at the next regular meeting following the expiration of the 15 day notice required by the following section.

Section 13 — Following receipt of the City Manager's report to the Council, the City Clerk shall within 24 hours, or as soon thereafter as possible, give written notice directed to the property owners on both sides of the street, within a distance of 300 feet from the location to which such building is to be moved, stating the date, time and place when the Council will consider such application. Such notice shall be deemed sufficient if posted by ordinary mail at least five (5) days prior to such hearing, addressed to the owner and at the address as shown by the current tax rolls of the city.

Section 14 — No permit shall be issued until the owner of the premises to which the building is to be moved, his agent shall have first received a building permit for the repair and restoration of the building on its moved location. The application for such permit shall contain detail sufficient to inform the Building Inspector and the City Engineer that when repairs and restoration have been completed the building will comply with the Building and other ordinances of the city which are required as a condition to the issuance of a certificate of occupancy.

Section 15 — No permit shall be issued to move any building, structure or obstruction to traffic across or along any street in the city until the owner of such building, structure or obstruction to traffic shall have obtained from the city a cash or surety bond in an amount sufficient to cover all damage to city streets and other city property and conditioned for payment to the city for any damages to its streets and other city property. The amount of such bond shall be determined by the City Manager based on the report of the City Engineer or Building Inspector.

Section 16 — All moved buildings and structures shall be completely repaired, restored and put in con-

dition for occupancy within 120 days after moving operations commence. No such building shall be occupied until a certificate of occupancy therefor shall have been issued and received by the owner.

Section 17 — The owner of any land, building or structure or part thereof, or any person having charge thereof, or any builder, contractor, agent for other person who aids or abets in the commission of any act contrary to the provisions of this ordinance shall be guilty of violating this ordinance.

Section 18 — Each separate section, subsection or provision of this ordinance which is violated shall constitute a separate offense and may be punished as such, and each day that a violation continues shall constitute a separate offense.

Section 19 — Should any section, subsection or provision of this ordinance or the application therefor be declared invalid by any court of competent jurisdiction so as to declare such invalidation shall not affect the remaining sections, subsections or portions hereof.

Section 20 — Any person adjudged guilty of violating any section, subsection or provision of this ordinance shall be punished by a fine of not to exceed \$500.00 or by imprisonment in the county jail for a period of not to exceed 90 days, or both such fine and imprisonment in the discretion of the court.

Section 21 — Ordinance No. C-30-56, known as the Smoke Abatement Ordinance, is hereby repealed.

This ordinance was passed and adopted by the Council of the City of Farmington at a regular meeting held on May 5, 1958, and will become effective on May 16, 1958.
